Sponsor(s): Senator Snyder

Brief Description: Changing the requirements of commercial salmon licenses.

SB 6324 - DIGEST

Requires the director to develop a program for the purchase and permanent retirement of Columbia river/Willapa Bay and Columbia river/Grays Harbor commercial salmon fishing licenses.

Requires three phases for the buy-out plan.

Provides that the act shall not change the salmon catch division between non-Indian commercial and recreational fisheries.

Takes effect January 1, 1993.
