

6334-S

Sponsor(s): Senate Committee on Children & Family Services
(originally sponsored by Senator Talmadge)

Brief Description: Modifying procedures for residential and treatment services for children.

SB 6334-S - DIGEST

(SEE ALSO PROPOSED 2ND SUB)

Directs the department of social and health services to conduct an assessment of the children in its care to determine the appropriate level of residential and treatment services required.

Authorizes a person to seek judicial relief when subjected to any reprisal or retaliatory action for filing a complaint with the department.

Establishes notice requirements when a child is to be moved to another out-of-home placement.
