

6428

Sponsor(s): Senators Roach, Stratton and Oke; by request of Dept. of Social and Health Services, Department of Health, Superintendent of Public Instruction, Department of Community Development and Employment Security Department

Brief Description: Improving the responsiveness of services for at-risk children and families.

SB 6428 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Directs the family policy council to annually solicit from local consortiums proposals to facilitate greater flexibility, coordination, and responsiveness of services at the community level.

Submits a prioritized list of projects recommended for funding in the governors's budget document.
