2 By Representative Dyer

3 On page 1, line 17, after "notice" insert "except that the
4 interest rate may not exceed one percentage point above the
5 equivalent coupon issue yield (as published by the Board of
6 Governors of the Federal Reserve System) of the average bill rate
7 for twenty-six week treasury bills as determined at the first bill
8 market auction conducted during the calendar month immediately
9 preceding the date of notice."

EFFECT: This would reduce the maximum interest rate from T
bill + 4 percent to T bill + 1 percent.
