5 On page 2, line 2, strike "~~((,but nothing herein shall apply~~
6 ~~to the construction, alteration, repair, or improvement of any~~
7 ~~municipal street railway system))~~ and insert ",but nothing herein
8 shall apply to the construction, alteration, repair, or improvement
9 of any municipal street railway system when such construction,
10 alteration, repair, or improvement has not been approved by the
11 voters who are to pay for the same."

EFFECT: This amendment provides that the greater costs associated with prevailing wage construction will apply to municipal railway construction only when the construction has been approved by the voters.
