12 On page 31, after line 36 of the amendment, insert the following:

13 "NEW SECTION. **Sec. 125.** A new section is added to chapter 9.41
14 RCW to read as follows:

15 Every person who carries an unconcealed firearm, whether loaded or
16 not, who intentionally stalks, harasses, intimidates, threatens, or
17 follows another person at any location and the person being stalked,
18 harassed, intimidated, threatened, or followed is placed in fear that
19 the person with the firearm intends to injure the other person is
20 guilty of a gross misdemeanor.

21 The feeling of fear must be one that a reasonable person in the
22 same situation would experience under all the circumstances, and the
23 person with the firearm must either intend to frighten the other person
24 or know or reasonably should know that the other person is afraid even
25 if the person with the firearm did not intend to place the other person
26 in fear.

27 It is not a defense that the person with the firearm did not intend
28 to frighten the other person. It is a defense that the defendant is a
29 law enforcement officer, or a licensed private detective acting within
30 the capacity of his or her license as provided under chapter 18.165
31 RCW, was acting with legal justification, or that the presence of the
32 person with the firearm was coincidental."

1 Renumber the sections consecutively and correct any internal
2 references accordingly.

3 EFFECT: Creates a new crime making it a gross misdemeanor for a
4 person carrying an unconcealed firearm to cause fear in another person
5 either intentionally or with reason to know that the other person would
6 be afraid.
