4 On page 74, line 47, after "(9)" strike all material down
5 through "area" on line 50 and insert "Expenditures by the state
6 parks and recreation commission to develop utilities at a state
7 park on the Miller peninsula in Clallam county shall be limited
8 such that the annual debt service payments on state bonds related
9 to those expenditures shall not exceed the anticipated revenues to
10 be derived from the completed park"

EFFECT: Limits the cost of utility work at a state park on
the Miller peninsula so that the annual debt service payments
on bonds to finance the utility work does not exceed the
expected revenues earned from the park.
