3 On page 75, line 26 of the amendment, after "fees." strike  
4 "Seasonal day area parking fees shall not be assessed." and insert  
5 "Any seasonal day area parking fees adopted by the commission shall  
6 be in effect no more than five days each week."

EFFECT: Eliminates language precluding day-use parking fees.  
Requires that day area parking fees adopted by the commission  
be in effect only five days a week.
