5 Strike everything after the enacting clause and insert the
6 following:

7 "NEW SECTION. **Sec. 1.** The legislature finds that development of
8 an assessment for purposes of acquiring an initial teaching certificate
9 is an issue that merits consideration. However, the legislature also
10 finds that to pursue development and implementation of such an
11 assessment at this point in time is premature in light of the state's
12 commitment to develop a performance-based education system. Therefore,
13 it is the intent of the legislature to repeal the existing requirement
14 for an admission-to-practice examination. The state board of education
15 shall monitor the development of a performance-based education system
16 and report to the legislature by January 1, 1997, with recommendations
17 for developing an individual assessment leading to initial teacher
18 certification that is consistent with a performance-based education
19 system.

20 NEW SECTION. **Sec. 2.** RCW 28A.410.030 and 1991 c 116 s 21 & 1987
21 c 525 s 203 are each repealed."
