5 On page 3, after line 32, insert the following:

6 "It is the intent of the legislature that expenditures from the
7 employment and training trust fund be used to provide training and
8 related support services to persons with financial need. Demand for
9 such services will likely outweigh available funds. Therefore, the
10 office of financial management shall develop eligibility guidelines.
11 The guidelines shall give priority to individuals who earned an average
12 annual income at the time of termination or notice of termination that
13 is less than the median average annual income in Washington state."
