6 "NEW SECTION. **Sec. 34.** A new section is added to chapter 70.190
7 RCW to read as follows:

8 The community network's plan may include funding for a student
9 designed media and community campaign promoting sexual abstinence and
10 addressing the importance of delaying sexual activity and pregnancy or
11 male parenting until individuals are ready to nurture and support their
12 children. Under the campaign, which shall be substantially designed
13 and produced by students, the same messages shall be distributed in
14 schools, through the media, and in the community where the campaign is
15 targeted. The campaign shall require local private sector matching
16 funds equal to state funds. Local private sector funds may include in-
17 kind contributions of technical or other assistance from consultants or
18 firms involved in public relations, advertising, broadcasting, and
19 graphics or video production or other related fields. The campaign
20 shall be evaluated using the outcomes required of community networks
21 under this chapter, in particular reductions in the number or rate of
22 teen pregnancies and teen male parentage over a three to five year
23 period."

24 Renumber the remaining sections consecutively and correct any
25 internal references accordingly.
