5 On page 5, line 16, after "funding." insert "Of these goals, goal  
6 two, in section 201(2) of this act, shall be primary. The legislature  
7 finds that from achievement of goal two, achievement of the other goals  
8 might follow. The legislature finds that students must above all else  
9 achieve mastery of knowledge and skills in core areas of reading,  
10 writing, speaking, science, history, geography, and mathematics. The  
11 legislature also finds that families and communities bear the primary  
12 responsibility for seeing that children function as caring and  
13 responsible members of families, work groups, and communities."
