3 By Senator Amondson

4 NOT ADOPTED 2/12/94

5 On page 2, after line 3 of the amendment, insert the following:

6 "NEW SECTION. Sec. 2. The legislature finds that it has allowed  
7 state agencies to adopt administrative rules without sufficient  
8 guidance from the legislature, relying on general grants of authority  
9 rather than specific legislative policy direction. This has resulted  
10 in agency-initiated policy that has been adopted without the benefit of  
11 the public dialogue and accountability inherent to the legislative  
12 process. It is therefore the intent of the legislature in this act to  
13 lessen reliance on general grants of authority, limit agency rule  
14 making to those matters specifically authorized by the legislature, and  
15 that grants of rule-making authority be narrowly construed.
