10

11 On page 1, line 4 of the title, after "89.30.001," strike "and
12 90.40.090" and insert "90.40.090, and 90.46.020"

13 EFFECT: The amendments would be to restate state policy
14 encouraging water reuse and conservation measures.

15 The first amendment clarifies that water conservation measures
16 could be used as "good cause" in obtaining an extension of time in
17 putting new water diversion facilities to use.

18 The second amendment clarifies that the department of ecology may
19 allow rotation of water use, under the authority of either chapter
20 90.03 RCW or chapter 90.46 RCW.

21 The third amendment removes the "interim" limitations of the 1992
22 legislation on reclaimed water use.

23 The fourth amendment corrects the effective date section.

24 The fifth amendment is a title amendment.
