HOUSE COMMITTEE ON JUDICIARY

Majority Report: Do pass. Signed by 16 members: Representatives Appelwick, Chair; Ludwig, Vice Chair; Padden, Ranking Minority Member; Ballasiotes, Assistant Ranking Minority Member; Campbell; Chappell; Forner; Johanson; Locke; Long; Mastin; H. Myers; Riley; Scott; Tate; and Wineberry.

Staff: Patricia Shelledy (786-7149).

Background: In 1988, the Legislature enacted the Uniform Federal Lien Registration Act. Notices affecting federal tax liens or other federal liens are covered by this act. Notices of federal liens upon real property must be recorded in the county where the real property is located. The act does not require that a copy of the lien document be sent to the property owner.

Summary of Bill: A federal lien recorded against real property may be recorded only upon certification that a copy of the lien document has been sent by registered mail to the owner of the real property subject to the lien.

Fiscal Note: Not requested.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Testimony For: Real property owners may not know the Internal Revenue Service has filed a lien against the owner's property. In one case, the Internal Revenue Service made a mistake. The owner did not discover the mistake until the owner tried to sell the property. It took a long time and considerable loss to the owner to fix the mistake. This bill will give owners notice of the federal lien.

Testimony Against: None.

Witnesses: Representative Morton, prime sponsor (pro).
