Brief History:

Reported by House Committee on:
Education, March 2, 1993, DPS.

HOUSE COMMITTEE ON EDUCATION

Majority Report: The substitute bill be substituted therefor and the substitute bill do pass. Signed by 19 members: Representatives Dorn, Chair; Cothorn, Vice Chair; Brough, Ranking Minority Member; Thomas, Assistant Ranking Minority Member; Brumsickle; Carlson; G. Cole; Eide; G. Fisher; Hansen; Holm; Jones; Karahalios; J. Kohl; Patterson; Pruitt; Roland; Stevens; and Vance.

Staff: Robert Butts (786-7111).

Background: Having a child while a teenager makes obtaining a quality education extremely difficult, and often leads to school failure for the mother and future personal and economic hardship for both the mother and the child. Also, the lives and health of sexually active adolescents are at risk due to the increasing number of young people infected with the HIV virus and other sexually transmitted diseases.

Summary of Substitute Bill: The Superintendent of Public Instruction (SPI) is directed to publicize and make available to school districts a listing of the instructional materials available that emphasize and encourage teenage sexual abstinence. The purpose of publicizing the material

is to share available material to help students resist the social and peer pressures to become sexually active.

Substitute Bill Compared to Original Bill: The original bill directed SPI, with the help of an advisory committee, to develop the instructional material. The substitute deleted the advisory committee. Also, instead of developing material, the substitute directs SPI to distribute available instructional material.

Fiscal Note: Requested February 22, 1993.

Effective Date of Substitute Bill: Ninety days after adjournment of session in which bill is passed.

Testimony For: Sexual abstinence instruction programs have been shown to be effective in reducing adolescence pregnancy. We need prevention, not risk reduction. We do not teach young people to use drugs safely. Why do we teach them to have sex safely?

Testimony Against: None.

Witnesses: Dawn Siler, The Children's Project (supports); Peggy Reich (supports); and Nancy Pomeroy (supports).
