Title: An act relating to hiring procedures by cities and towns.

Brief Description: Revising hiring procedures for cities and towns.

Sponsors: Senators Drew and von Reichbauer.

Brief History:

Reported by House Committee on:
Local Government, April 2, 1993, DP;
Passed House, April 8, 1993, 95-0.

HOUSE COMMITTEE ON LOCAL GOVERNMENT

Majority Report: Do pass. Signed by 12 members:
Representatives H. Myers, Chair; Bray, Vice Chair;
Edmondson, Ranking Minority Member; Reams, Assistant Ranking
Minority Member; Dunshee; R. Fisher; Horn; Rayburn; Romero;

Staff: Bill Lynch (786-7092).

Background: The Municipal Research Council has identified a number of local government statutes that either conflict with other statutes, are inconsistent with powers granted to other local governments under other statutes, or have some confusion surrounding their interpretation.

RCW 41.04.010 states the credit that veterans must be given on civil service exams by state and local governments, including cities. The preference must be claimed by the veteran within eight years of the date of the veteran's release from active service. The statutes pertaining to civil service exams for city police officers and city fire fighters contain credit provisions for veterans that are inconsistent with this general statute.

The legislative body of the third class city or town sets the compensation of its officers. Although it can be implied that the legislative body of a third class city or town can set the compensation for their employees, and that

the mayor of a town can hire and fire its employees, there is no specific statutory authorization for these practices.

Summary of Bill: The credits provided to veterans on civil service exams to become city police officers or fire fighters are made consistent with the veterans' credit contained in general state law for civil service exams.

The legislative body of a third class city or town is specifically authorized to fix the compensation for its employees. The mayor of a town is specifically authorized to hire and fire employees of the town.

Fiscal Note: Not requested.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Testimony For: This bill is technical and clarifies the authority of town mayors. The bill also removes ambiguity regarding veterans' preference.

Testimony Against: None.

Witnesses: Stan Finkelstein, Association of Washington Cities.
