

SENATE BILL REPORT

SB 5733

AS OF FEBRUARY 23, 1993

Brief Description: Restricting the department of natural resources in the granting of forest practice applications within urban growth management areas.

SPONSORS: Senators Fraser and Spanel

SENATE COMMITTEE ON NATURAL RESOURCES

Staff: Vic Moon (786-7469)

Hearing Dates: February 24, 1993

BACKGROUND:

Cities are not always given the opportunity to comment and help direct cutting of timber in urban growth areas when those areas are outside of the city limits.

SUMMARY:

The Department of Natural Resources may not approve a Class III forest practices application covering any land lying within an urban growth management area which is established under the Growth Management Act.

Appropriation: none

Revenue: none

Fiscal Note: requested
