**BACKGROUND:**

Cowlitz County currently has three superior court judges. The third judge was added in 1981. Cowlitz County has experienced growth in the number of cases filed and tried in superior court. The county does employ a part-time commissioner.

The Washington State Administrator for the Courts has estimated that Cowlitz County needs 3.9 superior court judges to handle the current case load.

The Washington State Constitution provides that the state and counties split the salary expense for superior court judges.

**SUMMARY:**

An additional superior court judge is authorized for Cowlitz County, increasing the number of superior court judges in Cowlitz County from three to four.

The additional superior court judge becomes effective only if Cowlitz County authorizes the payment of the county's expenses associated with the new position.

The bill does not indicate the starting date for the position. The fiscal note was prepared assuming a January 1, 1994 starting date for the new position.

**EFFECT OF PROPOSED SUBSTITUTE:**

The bill is made contingent upon funding provided in the Omnibus Appropriations Act.

**Appropriation:** none
