

**SENATE BILL REPORT**

**SB 6587**

**AS OF FEBRUARY 8, 1994**

**Brief Description:** Allowing people to acquire short term disabled parking permits in a timely manner.

**SPONSORS:** Senators McDonald and Oke

**SENATE COMMITTEE ON TRANSPORTATION**

**Staff:** Brian McMorrow (786-7304)

**Hearing Dates:** February 8, 1994

**BACKGROUND:**

The Department of Licensing may grant parking privileges to any person who has a disability that limits or impairs his or her ability to walk. Persons who qualify for special parking privileges may obtain a removable windshield placard that bears the international symbol of access. Persons disabled and expected to improve within six months may be issued a temporary placard for a period not to exceed six months.

**SUMMARY:**

The Department of Licensing must ensure that all of its offices and authorized agents have available for immediate use a supply of temporary placards that a temporarily disabled person may obtain when he or she presents a certificate of disability from his or her physician.

**Appropriation:** none

**Revenue:** none
