6 section 2 and Article VIII, section 6 of the Constitution of the state
7 of Washington to read as follows:

8 Article VII, section 2. Except as hereinafter provided and
9 notwithstanding any other provision of this Constitution, the aggregate
10 of all tax levies upon real and personal property by the state and all
11 taxing districts now existing or hereafter created, shall not in any

13 in money: PROVIDED, HOWEVER, That nothing herein shall prevent levies
14 at the rates now provided by law by or for any port or public utility
15 district. The term "taxing district" for the purposes of this section
16 shall mean any political subdivision, municipal corporation, district,
17 or other governmental agency authorized by law to levy, or have levied
18 for it, ad valorem taxes on property, other than a port or public
19 utility district. Such aggregate limitation or any specific limitation
20 imposed by law in conformity therewith may be exceeded only

1 (a) By any taxing district when specifically authorized so to do by

3 voting on the proposition to levy such additional tax submitted not
4 more than twelve months prior to the date on which the proposed initial
5 levy is to be made and not oftener than twice in such twelve month
6 period, either at a special election or at the regular election of such
7 taxing district, at which election the number of ((persons)) voters
8 voting "yes" on the proposition shall constitute three-fifths of a

12 proposition does not exceed forty per centum of the total ((votes
13 east)) number of voters voting in such taxing district in the last
14 preceding general election; or by a majority of at least three-fifths
15 of the ((electors)) voters thereof voting on the proposition to levy
16 when the number of ((electors)) voters voting on the proposition
17 exceeds forty ((percentum)) per centum of the total ((votes east))
18 number of voters voting in such taxing district in the last preceding
19 general election: PROVIDED, That notwithstanding any other provision
20 of this Constitution, any proposition pursuant to this subsection to
21 levy additional tax for the support of the common schools may provide
22 such support for a two year period and any proposition to levy an
23 additional tax to support the construction, modernization, or
24 remodelling of school facilities may provide such support for a period
25 not exceeding six years: PROVIDED FURTHER, That a proposition under
26 this subsection to levy an additional tax for a school district or a
27 library district shall be authorized by a majority of the voters voting
28 on the proposition;

29 (b) By any taxing district otherwise authorized by law to issue
30 general obligation bonds for capital purposes, for the sole purpose of
31 making the required payments of principal and interest on general
32 obligation bonds issued solely for capital purposes, other than the
33 replacement of equipment, when authorized so to do by majority of at
34 least three-fifths of the ((electors)) voters thereof voting on the
35 proposition to issue such bonds and to pay the principal and interest
36 thereon by an annual tax levy in excess of the limitation herein
37 provided during the term of such bonds, submitted not oftener than
38 twice in any calendar year, at an election held in the manner provided
39 by law for bond elections in such taxing district, at which election

1 the total number of (~~persons~~) voters voting on the proposition shall
2 constitute not less than forty per centum of the total number of
3 (~~votes cast~~) voters voting in such taxing district at the last
4 preceding general election: PROVIDED, That any such taxing district
5 shall have the right by vote of its governing body to refund any
6 general obligation bonds of said district issued for capital purposes
7 only, and to provide for the interest thereon and amortization thereof
8 by annual levies in excess of the tax limitation provided for
9 herein(~~7~~): PROVIDED FURTHER, That a proposition by a school district
10 to issue bonds with a term of nine years or less, and to pay the
11 principal and interest on the bonds by an annual tax levy during the
12 term of the bonds in excess of the limitation provided in this section,
13 shall be authorized by a majority of the voters voting on the
14 proposition: AND PROVIDED FURTHER, That the provisions of this section
15 shall also be subject to the limitations contained in Article VIII,
16 Section 6, of this Constitution;

17 (c) By the state or any taxing district for the purpose of paying
18 the principal or interest on general obligation bonds outstanding on

22 Article VIII, section 6. No county, city, town, (~~school~~
23 ~~district~~~~7~~) or other municipal corporation shall for any purpose become
24 indebted in any manner to an amount exceeding one and one-half per
25 centum of the taxable property in such county, city, town, (~~school~~
26 ~~district~~~~7~~) or other municipal corporation, without the assent of
27 three-fifths of the voters therein voting at an election to be held for
28 that purpose, nor in cases requiring such assent shall the total
29 indebtedness at any time exceed five per centum on the value of the
30 taxable property therein, to be ascertained by the last assessment for
31 state and county purposes previous to the incurring of such
32 indebtedness, except that in incorporated cities the assessment shall
33 be taken from the last assessment for city purposes: PROVIDED, That
34 the assent necessary to authorize a school district to incur such debt
35 shall be a majority vote: PROVIDED FURTHER, That no part of the
36 indebtedness allowed in this section shall be incurred for any purpose
37 other than strictly county, city, town, school district, or other
38 municipal purposes: PROVIDED FURTHER, That (a) any city or town, with

1 such assent, may be allowed to become indebted to a larger amount, but
2 not exceeding five per centum additional for supplying such city or
3 town with water, artificial light, and sewers, when the works for
4 supplying such water, light, and sewers shall be owned and controlled
5 by the municipality and (b) any school district with (~~such~~) majority
6 assent, may be allowed to become indebted to a larger amount but not
7 exceeding five per centum additional for capital outlays.

8 BE IT FURTHER RESOLVED, That the foregoing amendment shall be
9 construed as a single amendment within the meaning of Article XXIII,
10 section 1 of the state Constitution.

11 The legislature finds that the changes contained in the foregoing
12 amendment constitute a single integrated plan providing for a simple
13 majority of electors voting to authorize school district and library
14 district levies and bonds. If the foregoing amendment is held to be
15 separate amendments, this joint resolution shall be void in its
16 entirety and shall be of no further force and effect.
