13 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

14 **Sec. 1.** RCW 36.21.011 and 1973 1st ex.s. c 11 s 1 are each amended
15 to read as follows:

16 Any assessor who deems it necessary in order to (~~enable him to~~)
17 complete the listing and the valuation of the property of (~~his~~) the
18 county within the time prescribed by law, (1) may appoint one or more
19 well qualified persons to act as (~~his~~) assistants or deputies who

1 shall not engage in the private practice of appraising within the
2 county in which he or she is employed without the written permission of
3 the ((~~county~~)) assessor filed with the ((~~county~~)) auditor; and each
4 such assistant or deputy so appointed shall, under the direction of the
5 assessor, after taking the required oath, perform all the duties
6 enjoined upon, vested in or imposed upon assessors, and (2) may
7 contract with any persons, firms or corporations, who are expert
8 appraisers, to assist in the valuation of property.

9 To assist each assessor in obtaining adequate and well qualified
10 assistants or deputies, the state department of personnel, after
11 consultation with the Washington state association of county assessors,
12 the Washington state association of counties, and the department of
13 revenue, shall establish by July 1, 1967, and shall thereafter
14 maintain, a classification and salary plan for those employees of an
15 assessor who act as appraisers. The plan shall recommend the salary
16 range and employment qualifications for each position encompassed by
17 it, and shall, to the fullest extent practicable, conform to the
18 classification plan, salary schedules and employment qualifications for
19 state employees performing similar appraisal functions.

20 If an assessor intends to put such plan into effect in ((~~his~~)) the
21 county, ((~~he~~)) the assessor shall inform the department of revenue and
22 the ((~~board of county commissioners~~)) county legislative authority of
23 this intent in writing. The department of revenue and the ((~~board~~))
24 county legislative authority may thereupon each designate a
25 representative, and such representative or representatives as may be
26 designated by the department of revenue or the ((~~board~~)) county
27 legislative authority, or both, shall form with the assessor a
28 committee. The committee so formed may, by unanimous vote only,
29 determine the required number of certified appraiser positions and
30 their salaries necessary to enable the ((~~county~~)) assessor to carry out
31 the requirements relating to revaluation of property in chapter 84.41
32 RCW. The determination of the committee shall be certified to the
33 ((~~board of county commissioners~~)) county legislative authority. The
34 committee ((~~provided for herein~~)) may be formed only once in a period
35 of four calendar years.

36 After such determination, the assessor may provide, in each of
37 ((~~his~~)) the four next succeeding annual budget estimates, for as many
38 positions as are established in such determination. Each ((~~board of~~
39 ~~county commissioners~~)) county legislative authority to which such a

1 budget estimate is submitted shall allow sufficient funds for such
2 positions. An employee may be appointed to a position covered by the
3 plan only if the employee meets the employment qualifications
4 established by the plan.

5 **Sec. 2.** RCW 82.04.270 and 1993 sp.s. c 25 s 105 are each amended
6 to read as follows:

7 (1) Upon every person except persons taxable under subsections (1)
8 or (8) of RCW 82.04.260 engaging within this state in the business of
9 making sales at wholesale; as to such persons the amount of tax with
10 respect to such business shall be equal to the gross proceeds of sales
11 of such business multiplied by the rate of 0.484 percent.

12 (2) The tax imposed by this section is levied and shall be
13 collected from every person engaged in the business of distributing in
14 this state articles of tangible personal property, owned by them from
15 their own warehouse or other central location in this state to two or
16 more of their own retail stores or outlets, where no change of title or
17 ownership occurs, the intent hereof being to impose a tax equal to the
18 wholesaler's tax upon persons performing functions essentially
19 comparable to those of a wholesaler, but not actually making sales(~~(:~~
20 ~~PROVIDED, That~~)). The tax designated in this section may not be
21 assessed twice to the same person for the same article. The amount of
22 the tax as to such persons shall be computed by multiplying 0.484
23 percent of the value of the article so distributed as of the time of
24 such distribution(~~(:~~ ~~PROVIDED, That persons engaged in the activities~~
25 described in this subsection shall not be liable for the tax imposed if
26 by proper invoice it can be shown that they have purchased such
27 property from a wholesaler who has paid a business and occupation tax
28 to the state upon the same articles. This proviso shall not apply to
29 purchases from manufacturers as defined in RCW 82.04.110)). The
30 department of revenue shall prescribe uniform and equitable rules for
31 the purpose of ascertaining such value, which value shall correspond as
32 nearly as possible to the gross proceeds from sales at wholesale in
33 this state of similar articles of like quality and character, and in
34 similar quantities by other taxpayers(~~(:~~ ~~PROVIDED FURTHER, That~~)).
35 Delivery trucks or vans will not under the purposes of this section be
36 considered to be retail stores or outlets.

1 **Sec. 3.** RCW 82.04.4282 and 1989 c 392 s 1 are each amended to read
2 as follows:

3 In computing tax there may be deducted from the measure of tax
4 amounts derived from ~~((1))~~ bona fide (1) initiation fees, (2) dues,
5 (3) contributions, (4) donations, (5) tuition fees, (6) charges made by
6 a nonprofit trade or professional organization for attending or
7 occupying space at a trade show, convention, or educational seminar
8 sponsored by the nonprofit trade or professional organization, which
9 trade show, convention, or educational seminar is not open to the
10 general public, (7) charges made for operation of privately operated
11 kindergartens, and (8) endowment funds. This ~~((paragraph))~~ section
12 shall not be construed to exempt any person, association, or society
13 from tax liability upon selling tangible personal property or upon
14 providing facilities or services for which a special charge is made to
15 members or others. If dues are in exchange for any significant amount
16 of goods or services rendered by the recipient thereof to members
17 without any additional charge to the member, or if the dues are
18 graduated upon the amount of goods or services rendered, the value of
19 such goods or services shall not be considered as a deduction
20 ~~((hereunder))~~ under this section.

21 **Sec. 4.** RCW 82.04.440 and 1987 2nd ex.s. c 3 s 2 are each amended
22 to read as follows:

23 (1) Every person engaged in activities which are within the purview
24 of the provisions of two or more of sections RCW 82.04.230 to
25 82.04.290, inclusive, shall be taxable under each paragraph applicable
26 to the activities engaged in.

27 (2) Persons taxable under RCW 82.04.250 ~~((or))~~, 82.04.270, or
28 82.04.260(7) with respect to selling products in this state shall be
29 allowed a credit against those taxes for any (a) manufacturing taxes
30 paid with respect to the manufacturing of products so sold in this
31 state, and/or (b) extracting taxes paid with respect to the extracting
32 of products so sold in this state or ingredients of products so sold in
33 this state. Extracting taxes taken as credit under subsection (3) of
34 this section may also be taken under this subsection, if otherwise
35 allowable under this subsection. The amount of the credit shall not
36 exceed the tax liability arising under this chapter with respect to the
37 sale of those products.

1 (3) Persons taxable under RCW 82.04.240 or 82.04.260 subsection (4)
2 shall be allowed a credit against those taxes for any extracting taxes
3 paid with respect to extracting the ingredients of the products so
4 manufactured in this state. The amount of the credit shall not exceed
5 the tax liability arising under this chapter with respect to the
6 manufacturing of those products.

7 (4) Persons taxable under RCW 82.04.230, 82.04.240, or subsection
8 (2), (3), (4), (5), or (7) of RCW 82.04.260 with respect to extracting
9 or manufacturing products in this state shall be allowed a credit
10 against those taxes for any (i) gross receipts taxes paid to another
11 state with respect to the sales of the products so extracted or
12 manufactured in this state, (ii) manufacturing taxes paid with respect
13 to the manufacturing of products using ingredients so extracted in this
14 state, or (iii) manufacturing taxes paid with respect to manufacturing
15 activities completed in another state for products so manufactured in
16 this state. The amount of the credit shall not exceed the tax
17 liability arising under this chapter with respect to the extraction or
18 manufacturing of those products.

19 (5) For the purpose of this section:

20 (a) "Gross receipts tax" means a tax:

21 (i) Which is imposed on or measured by the gross volume of
22 business, in terms of gross receipts or in other terms, and in the
23 determination of which the deductions allowed would not constitute the
24 tax an income tax or value added tax; and

25 (ii) Which is also not, pursuant to law or custom, separately
26 stated from the sales price.

27 (b) "State" means (i) the state of Washington, (ii) a state of the
28 United States other than Washington, or any political subdivision of
29 such other state, (iii) the District of Columbia, and (iv) any foreign
30 country or political subdivision thereof.

31 (c) "Manufacturing tax" means a gross receipts tax imposed on the
32 act or privilege of engaging in business as a manufacturer, and
33 includes (i) the taxes imposed in RCW 82.04.240 and subsections (2),
34 (3), (4), (5), and (7) of RCW 82.04.260, and (ii) similar gross
35 receipts taxes paid to other states.

36 (d) "Extracting tax" means a gross receipts tax imposed on the act
37 or privilege of engaging in business as an extractor, and includes the
38 tax imposed in RCW 82.04.230 and similar gross receipts taxes paid to
39 other states.

1 (e) "Business", "manufacturer", "extractor", and other terms used
2 in this section have the meanings given in RCW 82.04.020 through
3 82.04.212, notwithstanding the use of those terms in the context of
4 describing taxes imposed by other states.

5 **Sec. 5.** 1987 2nd ex.s. c 3 s 1 (uncodified) is amended to read as
6 follows:

7 The legislature finds that the invalidation of the multiple
8 activities exemption contained in RCW 82.04.440 by the United States
9 Supreme Court now requires adjustments to the state's business and
10 occupation tax to achieve constitutional equality between Washington
11 taxpayers who have conducted and will continue to conduct business in
12 interstate and intrastate commerce. It is the intent of (~~this act~~)
13 chapter 3, Laws of 1987 2nd ex. sess. and sections 4 through 7 of this
14 act to preserve the integrity of Washington's business and occupation
15 tax system and impose only that financial burden upon the state
16 necessary to establish parity in taxation between such taxpayers.

17 Thus, (~~this act~~) chapter 3, Laws of 1987 2nd ex. sess. and
18 sections 4 through 7 of this act extends the system of credits
19 originated in RCW 82.04.440 in 1985 to provide for equal treatment of
20 taxpayers engaging in extracting, manufacturing or selling regardless
21 of the location in which any of such activities occurs. It is further
22 intended that RCW 82.04.440, as amended by section 2 (~~of this act~~),
23 chapter 3, Laws of 1987 2nd ex. sess. and sections 4 through 7 of this
24 act, shall be construed and applied in a manner that will eliminate
25 unconstitutional discrimination between taxpayers and ensure the
26 preservation and collection of revenues from the conduct of multiple
27 activities in which taxpayers in this state may engage.

28 **Sec. 6.** 1987 2nd ex.s. c 3 s 3 (uncodified) is amended to read as
29 follows:

30 If it is determined by a court of competent jurisdiction, in a
31 judgment not subject to review, that relief is appropriate for any tax
32 reporting periods before August 11, 1987, in respect to RCW 82.04.440
33 as it existed before August 11, 1987, it is the intent of the
34 legislature that the credits provided in RCW 82.04.440 as amended by
35 section 2 (~~of this act~~), chapter 3, Laws of 1987 2nd ex. sess. and
36 section 4 of this act shall be applied to such reporting periods and

1 that relief for such periods be limited to the granting of such
2 credits.

3 NEW SECTION. **Sec. 7.** Except as otherwise provided in section 6 of
4 this act, section 4 of this act applies retrospectively to all tax
5 reporting periods on or after June 23, 1987.

6 **Sec. 8.** RCW 82.08.026 and 1989 c 384 s 4 are each amended to read
7 as follows:

8 The tax levied by RCW 82.08.020 shall not apply to sales of natural
9 or manufactured gas that is taxable under RCW 82.12.022.

10 **Sec. 9.** RCW 82.12.022 and 1989 c 384 s 3 are each amended to read
11 as follows:

12 (1) There is hereby levied and there shall be collected from every
13 person in this state a use tax for the privilege of using natural gas
14 or manufactured gas within this state as a consumer.

15 (2) The tax shall be levied and collected in an amount equal to the
16 value of the article used by the taxpayer multiplied by the rate in
17 effect for the public utility tax on gas distribution businesses under
18 RCW 82.16.020(~~((1)(b))~~). The "value of the article used" does not
19 include any amounts that are paid for the hire or use of a gas
20 distribution business as defined in RCW 82.16.010(7) in transporting
21 the gas subject to tax under this subsection if those amounts are
22 subject to tax under that chapter.

23 (3) The tax levied in this section shall not apply to the use of
24 natural or manufactured gas delivered to the consumer by other means
25 than through a pipeline.

26 (4) The tax levied in this section shall not apply to the use of
27 natural or manufactured gas if the person who sold the gas to the
28 consumer has paid a tax under RCW 82.16.020(~~((1)(b))~~) with respect to
29 the gas for which exemption is sought under this subsection.

30 (~~((4))~~) (5) There shall be a credit against the tax levied under
31 this section in an amount equal to any tax paid by:

32 (a) The person who sold the gas to the consumer when that tax is a
33 gross receipts tax similar to that imposed pursuant to RCW
34 82.16.020(~~((1)(b))~~) by another state with respect to the gas for which
35 a credit is sought under this subsection; or

1 (b) The person consuming the gas upon which a use tax similar to
2 the tax imposed by this section was paid to another state with respect
3 to the gas for which a credit is sought under this subsection.

4 ~~((+5))~~ (6) The use tax hereby imposed shall be paid by the
5 consumer to the department.

6 ~~((+6))~~ (7) There is imposed a reporting requirement on the person
7 who delivered the gas to the consumer to make a quarterly report to the
8 department. Such report shall contain the volume of gas delivered,
9 name of the consumer to whom delivered, and such other information as
10 the department shall require by rule.

11 ~~((+7))~~ (8) The department may adopt rules under chapter 34.05 RCW
12 for the administration and enforcement of sections 1 through 6, chapter
13 384, Laws of 1989.

14 **Sec. 10.** RCW 82.12.023 and 1989 c 384 s 5 are each amended to read
15 as follows:

16 The tax levied by RCW 82.12.020 shall not apply in respect to the
17 use of natural or manufactured gas that is taxable under RCW 82.12.022.

18 NEW SECTION. **Sec. 11.** A new section is added to chapter 82.12 RCW
19 to read as follows:

20 The tax imposed by RCW 82.12.020 shall not apply in respect to the
21 use of newspapers.

22 **Sec. 12.** RCW 82.16.050 and 1989 c 302 s 103 are each amended to
23 read as follows:

24 In computing tax there may be deducted from the gross income the
25 following items:

26 (1) Amounts derived by municipally owned or operated public service
27 businesses, directly from taxes levied for the support or maintenance
28 thereof: PROVIDED, That this section shall not be construed to exempt
29 service charges which are spread on the property tax rolls and
30 collected as taxes;

31 (2) Amounts derived from the sale of commodities to persons in the
32 same public service business as the seller, for resale as such within
33 this state. This deduction is allowed only with respect to water
34 distribution, light and power, gas distribution or other public service
35 businesses which furnish water, electrical energy, gas or any other
36 commodity in the performance of public service businesses;

1 (3) Amounts actually paid by a taxpayer to another person taxable

5 former;

18 this state, with respect to which the carrier grants to the shipper the

20 state for the purpose of storing, manufacturing, milling, or other
21 processing, and thereafter forwards the same commodity, or its
22 equivalent, in the same or converted form, under a through freight rate
23 from point of origin to final destination; and amounts derived from the
24 transportation of commodities from points of origin in the state to an
25 export elevator, wharf, dock or ship side on tidewater or navigable
26 tributaries thereto from which such commodities are forwarded, without
27 intervening transportation, by vessel, in their original form, to
28 interstate or foreign destinations: PROVIDED, That no deduction will
29 be allowed when the point of origin and the point of delivery to such
30 an export elevator, wharf, dock, or ship side are located within the
31 corporate limits of the same city or town;

32 (9) Amounts derived from the production, sale, or transfer of

30 **Sec. 20.** RCW 84.40.030 and 1993 c 436 s 1 are each amended to read
31 as follows:

32 All property shall be valued at one hundred percent of its true and
33 fair value in money and assessed on the same basis unless specifically
34 provided otherwise by law.

35 Taxable leasehold estates shall be valued at such price as they
36 would bring at a fair, voluntary sale for cash without any deductions
37 for any indebtedness owed including rentals to be paid.
38 (~~Notwithstanding any other provisions of this section or of any other~~

1 ~~statute, when the value of any taxable leasehold estate created prior~~
2 ~~to January 1, 1971 is being determined for assessment years prior to~~
3 ~~the assessment year 1973, there shall be deducted from what would~~
4 ~~otherwise be the value thereof the present worth of the rentals and~~
5 ~~other consideration which may be required of the lessee by the lessor~~
6 ~~for the unexpired term thereof: PROVIDED, That the foregoing~~
7 ~~provisions of this sentence shall not apply to any extension or~~
8 ~~renewal, made after December 31, 1970 of the term of any such estate,~~
9 ~~or to any such estate after the date, if any, provided for in the~~
10 ~~agreement for rental renegotiation.))~~

11 The true and fair value of real property for taxation purposes
12 (including property upon which there is a coal or other mine, or stone
13 or other quarry) shall be based upon the following criteria:

14 (1) Any sales of the property being appraised or similar properties
15 with respect to sales made within the past five years. The appraisal
16 shall be consistent with the comprehensive land use plan, development
17 regulations under chapter 36.70A RCW, zoning, and any other
18 governmental policies or practices in effect at the time of appraisal
19 that affect the use of property, as well as physical and environmental
20 influences. The appraisal shall also take into account((~~7~~)): (a) in
21 the use of sales by real estate contract as similar sales, the extent,
22 if any, to which the stated selling price has been increased by reason
23 of the down payment, interest rate, or other financing terms; and (b)
24 the extent to which the sale of a similar property actually represents
25 the general effective market demand for property of such type, in the
26 geographical area in which such property is located. Sales involving
27 deed releases or similar seller-developer financing arrangements shall
28 not be used as sales of similar property.

29 (2) In addition to sales as defined in subsection (1),
30 consideration may be given to cost, cost less depreciation,
31 reconstruction cost less depreciation, or capitalization of income that
32 would be derived from prudent use of the property. In the case of
33 property of a complex nature, or being used under terms of a franchise
34 from a public agency, or operating as a public utility, or property not
35 having a record of sale within five years and not having a significant
36 number of sales of similar property in the general area, the provisions
37 of this subsection (2) shall be the dominant factors in valuation.
38 When provisions of this subsection (2) are relied upon for establishing

1 values the property owner shall be advised upon request of the factors
2 used in arriving at such value.

3 (3) In valuing any tract or parcel of real property, the value of
4 the land, exclusive of structures thereon shall be determined; also the
5 value of structures thereon, but the valuation shall not exceed the
6 value of the total property as it exists. In valuing agricultural
7 land, growing crops shall be excluded.

8 **Sec. 21.** RCW 84.40.080 and 1973 2nd ex.s. c 8 s 1 are each amended
9 to read as follows:

11 application of any taxpayer, shall enter in the detail and assessment
12 list of the current year any property shown to have been omitted from
13 the assessment list of any preceding year, at the valuation of that
14 year, or if not then valued, at such valuation as the assessor shall
15 determine from the preceding year, and such valuation shall be stated
16 in a separate line from the valuation of the current year. Where
17 improvements have not been valued and assessed as a part of the real
18 estate upon which the same may be located, as evidenced by the
19 assessment rolls, they may be separately valued and assessed as omitted
20 property under this section(~~(:—PROVIDED, That))~~). No such assessment
21 shall be made in any case where a bona fide purchaser, encumbrancer, or
22 contract buyer has acquired any interest in said property prior to the
23 time such improvements are assessed. When such an omitted assessment
24 is made, the taxes levied thereon may be paid within one year of the
25 due date of the taxes for the year in which the assessment is made
26 without penalty or interest(~~(:—AND PROVIDED FURTHER, That))~~). In the
27 assessment of personal property, the assessor shall assess the omitted
28 value not reported by the taxpayer as evidenced by an inspection of
29 either the property or the books and records of said taxpayer by the
30 assessor.

31 **Sec. 22.** RCW 84.40.085 and 1973 2nd ex.s. c 8 s 2 are each amended
32 to read as follows:

33 No omitted property or omitted value assessment shall be made for
34 any period more than three years preceding the year in which the
35 omission is discovered. The assessor, upon discovery of such omission,
36 shall forward a copy of the amended personal property affidavit along
37 with a letter of particulars informing the taxpayer of the findings and

1 of ((his)) the taxpayer's right of appeal to the county board of
2 equalization. Upon request of either the taxpayer or the assessor, the
3 county board of equalization may be reconvened to act on ((subject
4 omits)) the omitted property or omitted value assessments.

5 **Sec. 23.** RCW 84.40.170 and 1961 c 15 s 84.40.170 are each amended
6 to read as follows:

7 In all cases of irregular subdivided tracts or lots of land other

9 outline a plat of such tracts or lots and notify the owner or owners
10 thereof with a request to have the same surveyed by the county
11 engineer, and cause the same to be platted into numbered (or lettered)
12 lots or tracts(~~(: PROVIDED, HOWEVER, That where)~~). If any county has
13 in its possession the correct field notes of any such tract or lot of
14 land a new survey shall not be necessary(~~(, but)~~) and such tracts may
15 be mapped from such field notes. In case the owner of such tracts or
16 lots neglects or refuses to have the same surveyed or platted, the
17 ((county)) assessor shall notify the ((~~board of county commissioners~~))
18 county legislative authority in and for the county, who may order and
19 direct the county engineer to make the proper survey and plat of the
20 tracts and lots. A plat shall be made on which said tracts or lots of
21 land shall be accurately described by lines, and numbered (or
22 lettered), which numbers (or letters) together with number of the
23 section, township and range shall be distinctly marked on such plat,
24 and the field notes of all such tracts or lots of land shall describe
25 each tract or lot according to the survey, and such tract or lot shall
26 be numbered (or lettered) to correspond with its number (or letter) on
27 the map. The plat shall be given a designated name by the surveyor
28 thereof. When the survey, plat, field notes and name of plat, shall
29 have been approved by the board of county commissioners, the plat and
30 field notes shall be filed and recorded in the office of the county
31 auditor, and the description of any tract or lot of land described in
32 said plats by number (or letter), section, township and range, shall be
33 a sufficient and legal description for revenue and all other purposes.

34 **Sec. 24.** RCW 84.40.175 and 1986 c 285 s 3 are each amended to read
35 as follows:

36 At the time of making the assessment of real property, the assessor
37 shall enter each description of property exempt under the provisions of

1 (~~RCW 84.36.005 through 84.36.060~~) chapter 84.36 RCW, and value and
2 list the same in the manner and subject to the same rule as ~~((he))~~ the
3 assessor is required to assess all other property, designating in each
4 case to whom such property belongs(~~(, and for what purpose used, to~~
5 ~~entitle it to exemption, and he shall require from every person~~
6 ~~claiming such exemption proof of the right to such exemption:~~
7 ~~PROVIDED, That))~~. However, with respect to publicly owned property
8 exempt from taxation under provisions of RCW 84.36.010, the assessor
9 shall value only such property as is leased to or occupied by a private
10 person under an agreement allowing such person to occupy or use such
11 property for a private purpose when a request for such valuation is
12 received from the department of revenue or the lessee of such property
13 for use in determining the taxable rent as provided for in chapter
14 82.29A RCW: PROVIDED FURTHER, That this section shall not prohibit any
15 assessor from valuing any public property leased to or occupied by a
16 private person for private purposes.

17 **Sec. 25.** RCW 84.40.230 and 1961 c 15 s 84.40.230 are each amended

27 private ownership is taxed, and the tax roll shall contain, opposite
28 the description of the property so assessed the following notation:

29 equalization:—PROVIDED FURTHER, That) department. Any surplus raised
30 shall be remitted to the state in accordance with RCW 84.56.280.

31 **Sec. 36.** RCW 84.52.010 and 1993 c 337 s 4 are each amended to read
32 as follows:

33 Except as is permitted under RCW 84.55.050, all taxes shall be
34 levied or voted in specific amounts.

35 The rate percent of all taxes for state and county purposes, and
36 purposes of taxing districts coextensive with the county, shall be
37 determined, calculated and fixed by the county assessors of the

1 respective counties, within the limitations provided by law, upon the
2 assessed valuation of the property of the county, as shown by the
3 completed tax rolls of the county, and the rate percent of all taxes
4 levied for purposes of taxing districts within any county shall be
5 determined, calculated and fixed by the county assessors of the
6 respective counties, within the limitations provided by law, upon the
7 assessed valuation of the property of the taxing districts
8 respectively.

10 any property, that is subject to the limitations set forth in RCW
11 84.52.043 or 84.52.050, as now or hereafter amended, exceeds the
12 limitations provided in either of these sections, the assessor shall
13 recompute and establish a consolidated levy in the following manner:

14 (1) The full certified rates of tax levy for state, county, county
15 road district, and city or town purposes shall be extended on the tax
16 rolls in amounts not exceeding the limitations established by law(~~(7~~
17 ~~subject to subsection (2)(e) of this section)~~); however any state levy
18 shall take precedence over all other levies and shall not be reduced
19 for any purpose other than that required by RCW 84.55.010; however, if
20 as a result of the levies imposed under RCW 84.52.069, 84.34.230, and
21 84.52.105, the combined rates of regular property tax levies exceed one
22 percent of the true and fair value of any property, then the levies
23 imposed under RCW 84.34.230 and 84.52.105, and any portion of the levy
24 imposed under RCW 84.52.069 that is in excess of thirty cents per
25 thousand dollars of assessed value, shall be reduced on a pro rata
26 basis or eliminated until the combined rates of regular property tax
27 levies no longer exceed one percent of the true and fair value of any
28 property; and

29 (2) The certified rates of tax levy subject to these limitations by
30 all junior taxing districts imposing taxes on such property shall be
31 reduced or eliminated as follows to bring the consolidated levy of
32 taxes on such property within the provisions of these limitations:

33 (a) First, the certified property tax levy rates of those junior
34 taxing districts authorized under RCW 36.68.525, 36.69.145, and
35 67.38.130 shall be reduced on a pro rata basis or eliminated;

36 (b) Second, if the consolidated tax levy rate still exceeds these
37 limitations, the certified property tax levy rates of flood control
38 zone districts shall be reduced on a pro rata basis or eliminated;

1 (c) Third, if the consolidated tax levy rate still exceeds these
2 limitations, the certified property tax levy rates of all other junior
3 taxing districts, other than fire protection districts, library
4 districts, the first fifty cent per thousand dollars of assessed
5 valuation levies for metropolitan park districts, and the first fifty
6 cent per thousand dollars of assessed valuation levies for public
7 hospital districts, shall be reduced on a pro rata basis or eliminated;

8 (d) Fourth, if the consolidated tax levy rate still exceeds these
9 limitations, the certified property tax levy rates authorized to fire
10 protection districts under RCW 52.16.140 and 52.16.160 shall be reduced
11 on a pro rata basis or eliminated; and

12 (e) Fifth, if the consolidated tax levy rate still exceeds these
13 limitations, the certified property tax levy rates authorized for fire
14 protection districts under RCW 52.16.130, library districts,
15 metropolitan park districts under their first fifty cent per thousand
16 dollars of assessed valuation levy, and public hospital districts under
17 their first fifty cent per thousand dollars of assessed valuation levy,
18 shall be reduced on a pro rata basis or eliminated.

19 **Sec. 37.** RCW 84.52.018 and 1989 c 378 s 15 are each amended to
20 read as follows:

21 Whenever any property value or claim for exemption or cancellation
22 of a property assessment is appealed to the state board of tax appeals
23 or court of competent jurisdiction and the dollar difference between
24 the total value asserted by the taxpayer and the total value asserted
25 by the opposing party exceeds one-fourth of one percent of the total
26 assessed value of property in the county, the assessor shall use only
27 that portion of the total value which is not in controversy for
28 purposes of computing the levy rates and extending the tax on the tax
29 roll in accordance with this chapter, unless the state board of tax
30 appeals has issued its determination at the time of extending the tax.

31 When the state board of tax appeals or court of competent
32 jurisdiction makes its final determination, the proper amount of tax
33 shall be extended and collected for each taxing district if this has
34 not already been done. The amount of tax collected and extended shall
35 include interest at the rate of nine percent per year on the amount of
36 the board's final determination minus the amount not in controversy.
37 The interest shall accrue from the date the taxes on the amount not in
38 controversy (~~was~~) were first due and payable. Any amount extended in

1 excess of that permitted by chapter 84.55 RCW shall be held in abeyance
2 and used to reduce the levy rates of the next succeeding levy.

6 taxing district purposes, the ((~~board of county commissioners~~)) county
7 legislative authority of each county at its October session, and all
8 other officials or boards authorized by law to levy taxes for taxing
9 district purposes, shall levy taxes on all the taxable property in the

24 acquired or placed under immediate possession and use for the year in
25 which such real property is so acquired or placed under immediate

27 allocable to that portion of the year prior to the date of execution of
28 the instrument vesting title, date of recording such agreement of
