15 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

16            NEW SECTION.    **Sec. 1.**    The legislature finds that the laws  
17 governing commercial fishing licensing in this state are highly complex  
18 and increasingly difficult to administer and enforce. The current laws  
19 governing commercial fishing licenses have evolved slowly, one section

1 at a time, over decades of contention and changing technology, without  
2 general consideration for how the totality fits together. The result  
3 has been confusion and litigation among commercial fishers. Much of  
4 the confusion has arisen because the license holder in most cases is a  
5 vessel, not a person. The legislature intends by this act to  
6 standardize licensing criteria, clarify licensing requirements, reduce  
7 complexity, and remove inequities in commercial fishing licensing. The  
8 legislature intends that the license fees stated in this act shall be  
9 equivalent to those in effect on January 1, 1993, as adjusted under  
10 section 19, chapter 316, Laws of 1989.

11 **Sec. 2.** RCW 75.28.010 and 1991 c 362 s 1 are each amended to read  
12 as follows:

13 (1) Except as otherwise provided by this title, it is unlawful to  
14 engage in any of the following activities without a license or permit  
15 issued by the director (~~is required to~~):

16 (a) Commercially fish for or take food fish or shellfish;

17 (b) Deliver food fish or shellfish taken in offshore waters;

18 (c) Operate a charter boat or commercial fishing vessel engaged in  
19 a fishery;

20 (d) Engage in processing or wholesaling food fish or shellfish; or

21 (e) (~~Operate~~) Act as a guide for salmon for personal use in  
22 freshwater rivers and streams, other than that part of the Columbia  
23 river below the bridge at Longview.

24 (2) (~~It is unlawful to~~) No person may engage in the activities  
25 described in subsection (1) of this section (~~without having in~~  
26 possession) unless the licenses or permits required by this title are  
27 in the person's possession, and the person is the named license holder  
28 or an alternate operator designated on the license.

29 (3) A valid Oregon license that is equivalent to a license under  
30 this title is valid in the concurrent waters of the Columbia river if  
31 the state of Oregon recognizes as valid the equivalent Washington  
32 license. The director may identify by rule what Oregon licenses are  
33 equivalent.

34 (4) No license or permit is required for the production or  
35 harvesting of private sector cultured aquatic products as defined in  
36 RCW 15.85.020 or for the delivery, processing, or wholesaling of such  
37 aquatic products. However, if a means of identifying such products is  
38 required by rules adopted under RCW 15.85.060, the exemption from

1 licensing or permit requirements established by this subsection applies  
2 only if the aquatic products are identified in conformance with those  
3 rules.

4 **Sec. 3.** RCW 75.28.014 and 1986 c 198 s 8 are each amended to read  
5 as follows:

6 ~~((1))~~ The ~~((department may establish by rule license))~~  
7 application deadline~~((s))~~ for ~~((types of gear and licensing districts.~~  
8 ~~An applicant for))~~ a commercial ~~((salmon fishing))~~ license ~~((shall~~  
9 submit a license application in accordance with this subsection.

10 (a) ~~If an application is postmarked or personally delivered to the~~  
11 ~~department in Olympia by the application deadline, it shall be~~  
12 ~~accompanied by the prescribed license fee.~~

13 (b) ~~If an application is postmarked or personally delivered to the~~  
14 ~~department in Olympia after the application deadline, it shall be~~  
15 ~~accompanied by the prescribed license fee and a late application fee of~~  
16 ~~two hundred dollars.~~

17 ~~(2) Columbia River smelt license applications accompanied by the~~  
18 ~~license fee shall be made in person or postmarked by January 10 of the~~  
19 ~~license year)) or permit established in this chapter is December 31 of~~  
20 ~~the calendar year for which the license or permit is sought. The~~  
21 ~~department shall accept no license or permit applications after~~  
22 ~~December 31 of the calendar year for which the license or permit is~~  
23 ~~sought.~~

24 **Sec. 4.** RCW 75.28.020 and 1989 c 47 s 1 are each amended to read  
25 as follows:

26 (1) ~~((The department may only issue))~~ Except as otherwise provided  
27 in this title, a person as defined in RCW 75.08.011 may hold a  
28 commercial license ((to a person who)) established by this chapter.

29 (2) Except as otherwise provided in this title, an individual may  
30 hold a commercial license only if the individual is sixteen years of  
31 age or older and a bona fide resident of the United States. ((The  
32 deckhand license required by RCW 75.28.690 may be issued to persons  
33 under sixteen years of age. The department may only issue a commercial  
34 license to))

35 (3) A corporation may hold a commercial license only if it is  
36 authorized to do business in this state. ((A valid Oregon license  
37 which is comparable to a license under this title is valid in the

1 concurrent waters of the Columbia River if the state of Oregon  
2 recognizes as valid the comparable Washington license.))

3 (4) No person may hold a limited-entry license unless the person  
4 meets the qualifications that this title establishes for the license.

5 **Sec. 5.** RCW 75.28.030 and 1983 1st ex.s. c 46 s 105 are each  
6 amended to read as follows:

7 (1) Except as otherwise provided in this title, the director shall  
8 issue commercial licenses and permits to a qualified person((7)) upon  
9 ((the receipt of an)) receiving a completed application accompanied by  
10 the required fee. ((Applications shall be submitted on forms provided  
11 by the department. Applicants for commercial licenses and permits  
12 shall indicate at the time of application the species of food fish or  
13 shellfish they intend to take and the type of gear they intend to  
14 use.))

15 (2) An application submitted to the department under this chapter  
16 shall contain the name and address of the applicant and any other  
17 information required by the department or this title. An applicant for  
18 a commercial fishery license, delivery license, or charter license may  
19 designate a vessel to be used with the license and up to two alternate  
20 operators.

21 (3) An application submitted to the department under this chapter  
22 shall contain the applicant's declaration under penalty of perjury that  
23 the information on the application is true and correct.

24 (4) Upon issuing a commercial license under this chapter, the  
25 director shall assign the license a unique number that the license  
26 shall retain upon renewal. The department shall use the number to  
27 record any commercial catch under the license. This does not preclude  
28 the department from using other, additional, catch record methods.

29 (5) The fee to replace a license that has been lost or destroyed is  
30 eleven dollars.

31 **Sec. 6.** RCW 75.28.040 and 1983 1st ex.s. c 46 s 108 are each  
32 amended to read as follows:

33 (1) A commercial license issued under this chapter permits the  
34 license holder to engage in the activity for which the license is  
35 issued in accordance with this title and the rules of the director.

36 (2) No security interest or lien of any kind, including tax liens,  
37 may be created or enforced in a license issued under this chapter.

1       (3) Unless otherwise provided in this title or rules of the  
2 director, commercial licenses and permits issued under this chapter  
3 expire at midnight on December 31st ((following their issuance and)) of  
4 the calendar year for which they are issued. In accordance with this  
5 title, licenses may be renewed annually upon application and payment of  
6 the prescribed license fees.

7       NEW SECTION. Sec. 7. A new section is added to chapter 75.28 RCW  
8 to read as follows:

9       VESSEL DESIGNATION. This section applies to all commercial fishery  
10 licenses, delivery licenses, and charter licenses.

11       (1) An applicant for a license subject to this section may  
12 designate a vessel to be used with the license. Except for emergency  
13 salmon delivery licenses, the director may issue a license regardless  
14 of whether the applicant designates a vessel. An applicant may  
15 designate no more than one vessel on a license subject to this section.

16       (2) A license for a fishery that requires a vessel authorizes no  
17 taking or delivery of food fish or shellfish unless a vessel is  
18 designated on the license. A delivery license authorizes no delivery  
19 of food fish or shellfish unless a vessel is designated on the license.

20       (3) It is unlawful to take food fish or shellfish in a fishery that  
21 requires a vessel except from a vessel designated on a commercial  
22 fishery license for that fishery.

23       (4) It is unlawful to operate a vessel as a charter boat unless the  
24 vessel is designated on a charter license.

25       (5) No vessel may be designated on more than one commercial fishery  
26 license unless the licenses are for different fisheries. No vessel may  
27 be designated on more than one delivery license, on more than one  
28 salmon charter license, or on more than one nonsalmon charter license.

29       NEW SECTION. Sec. 8. A new section is added to chapter 75.28 RCW  
30 to read as follows:

31       CHANGES IN VESSEL DESIGNATION. This section applies to all  
32 commercial fishery licenses, delivery licenses, and charter licenses,  
33 except for emergency salmon delivery licenses.

34       (1) The holder of a license subject to this section may substitute  
35 the vessel designated on the license or designate a vessel if none has  
36 previously been designated if the license holder:

37       (a) Surrenders the previously issued license to the department;

1 (b) Submits to the department an application that identifies the  
2 currently designated vessel, the vessel proposed to be designated, and  
3 any other information required by the department; and

4 (c) Pays to the department a fee of twenty-two dollars.

5 (2) Unless the license holder owns all vessels identified on the  
6 application described in subsection (1)(b) of this section, the  
7 following restrictions apply to changes in vessel designation:

8 (a) The department shall change the vessel designation on the  
9 license no more than four times per calendar year.

10 (b) The department shall change the vessel designation on the  
11 license no more than once in any seven-day period.

12 NEW SECTION. **Sec. 9.** A new section is added to chapter 75.28 RCW  
13 to read as follows:

14 **ALTERNATE OPERATOR DESIGNATION.** This section applies to all  
15 commercial fishery licenses, delivery licenses, and charter licenses,  
16 except for whiting--Puget Sound fishery licenses and emergency salmon  
17 delivery licenses.

18 (1) The license holder may engage in the activity authorized by a  
19 license subject to this section. The holder of a license subject to  
20 this section may also designate up to two alternate operators for the  
21 license. A person designated as an alternate operator must possess an  
22 alternate operator license issued under sections 23 and 25 of this act.

23 (2) The fee to change the alternate operator designation is twenty-  
24 two dollars.

25 NEW SECTION. **Sec. 10.** A new section is added to chapter 75.28 RCW  
26 to read as follows:

27 **PERSONS WHO MAY USE A LICENSE.** (1) Only the license holder and any  
28 alternate operators designated on the license may sell or deliver food  
29 fish or shellfish under a commercial fishery license or delivery  
30 license. A commercial fishery license or delivery license authorizes  
31 no taking or delivery of food fish or shellfish unless the license  
32 holder or an alternate operator designated on the license is present or  
33 aboard the vessel.

34 (2) Only the license holder and any alternate operators designated  
35 on the license may operate a vessel as a charter boat.

1        NEW SECTION.    **Sec. 11.**    A new section is added to chapter 75.28 RCW  
2 to read as follows:

3        TRANSFERS FROM ONE LICENSE HOLDER TO ANOTHER.    (1) Unless otherwise  
4 provided in this title, a license issued under this chapter is not  
5 transferable from the license holder to any other person.

6        (2) The following restrictions apply to transfers of commercial  
7 fishery licenses, salmon delivery licenses, and salmon charter licenses  
8 that are transferable between license holders:

9        (a) The license holder shall surrender the previously issued  
10 license to the department.

11        (b) The department shall complete no more than one transfer of the  
12 license in any seven-day period.

13        (c) The fee to transfer a license from one license holder to  
14 another is twenty-two dollars.

15        (d) If a license is transferred from a resident to a nonresident,  
16 the transferee shall pay the difference between the resident and  
17 nonresident license fees at the time of transfer.

18        (3) A commercial license that is transferable under this title  
19 survives the death of the holder.    Though such licenses are not  
20 personal property, they shall be treated as analogous to personal  
21 property for purposes of inheritance and intestacy.    Such licenses are  
22 subject to state laws governing wills, trusts, estates, intestate  
23 succession, and community property, except that such licenses are  
24 exempt from claims of creditors of the estate and tax liens.    The  
25 surviving spouse, estate, or beneficiary of the estate may apply for a  
26 renewal of the license.    There is no fee for transfer of a license from  
27 a license holder to the license holder's surviving spouse or estate, or  
28 to a beneficiary of the estate.

29        **Sec. 12.**    RCW 75.28.110 and 1989 c 316 s 3 are each amended to read

32 are required for the (~~((licensee))~~) license holder to use the specified  
33 gear to fish for salmon (~~((and other food fish))~~) in state waters.

35 ~~granted in RCW 75.28.065,))~~) Only a person who meets the qualifications

6 Columbia river and tributary sloughs described in (b) of this  
7 subsection.

8 **Sec. 13.** RCW 75.28.113 and 1989 c 316 s 4 are each amended to read  
9 as follows:

29 a salmon delivery license results in the depletion or destruction of  
30 the state's salmon resource or the delivery into this state of salmon  
31 products prohibited by law, the director may revoke the license under  
32 the procedures of chapter 34.05 RCW.

33 **Sec. 14.** RCW 75.28.116 and 1989 c 316 s 5 are each amended to read

29 that may be taken with the commercial fishery licenses established in  
30 this section, the gear that may be used with the licenses, and the  
31 areas or waters in which the licenses may be used. Where a fishery  
32 license has been established for a particular species, gear,  
33 geographical area, or combination thereof, a more general fishery  
34 license may not be used to take shellfish in that fishery.

35       NEW SECTION. Sec. 18. A new section is added to chapter 75.28 RCW  
36 to read as follows:

37       EMERGING COMMERCIAL FISHERY LICENSES AND PERMITS. (1) The director  
38 may by rule designate a fishery as an emerging commercial fishery. The

1 director shall include in the designation whether the fishery is one  
2 that requires a vessel.

3 (2) "Emerging commercial fishery" means the commercial taking of a  
4 newly classified species of food fish or shellfish, the commercial  
5 taking of a classified species with gear not previously used for that  
6 species, or the commercial taking of a classified species in an area  
7 from which that species has not previously been commercially taken.  
8 Any species of food fish or shellfish commercially harvested in  
9 Washington state as of June 7, 1990, may be designated as a species in  
10 an emerging commercial fishery, except that no fishery subject to a  
11 license limitation program in chapter 75.30 RCW may be designated as an  
12 emerging commercial fishery.

13 (3) It is unlawful to take food fish or shellfish in a fishery  
14 designated as an emerging commercial fishery without an emerging  
15 commercial fishery license and a permit from the director. The  
16 director shall issue two types of permits to accompany emerging  
17 commercial fishery licenses: Trial fishery permits and experimental  
18 fishery permits. Trial fishery permits are governed by subsection (4)  
19 of this section. Experimental fishery permits are governed by RCW  
20 75.30.220.

21 (4) The director shall issue trial fishery permits for a fishery  
22 designated as an emerging commercial fishery unless the director  
23 determines there is a need to limit the number of participants under  
24 RCW 75.30.220. A person who meets the qualifications of RCW 75.28.020  
25 may hold a trial fishery permit. The holder of a trial fishery permit  
26 shall comply with the terms of the permit. Trial fishery permits are  
27 not transferable from the permit holder to any other person.

28 **Sec. 19.** RCW 75.28.280 and 1989 c 316 s 12 are each amended to  
29 read as follows:

30 A hardshell clam mechanical harvester fishery license is required  
31 to operate a mechanical or hydraulic device for commercially harvesting  
32 clams, other than geoduck clams, (~~on a clam farm~~) unless the  
33 requirements of RCW 75.20.100 are fulfilled for the proposed activity.  
34 (~~Unless adjusted by the director pursuant to the director's authority~~  
35 ~~granted in RCW 75.28.065, the annual license fee is four hundred ten~~

37 ~~nonresidents.))~~

1       **Sec. 20.** RCW 75.28.290 and 1989 c 316 s 14 are each amended to  
2 read as follows:

3       A person who commercially takes shellfish from state oyster  
4 reserves under RCW 75.24.070 must have an oyster reserve fishery  
5 license ((is required for the commercial taking of shellfish from state  
6 oyster reserves. Unless adjusted by the director pursuant to the  
7 director's authority granted in RCW 75.28.065, the annual license fee  
8 is fifty dollars for residents and one hundred dollars for  
9 nonresidents)).

10       **Sec. 21.** RCW 75.28.095 and 1989 c 316 s 2, 1989 c 147 s 1, and  
11 1989 c 47 s 2 are each reenacted and amended to read as follows:

26 Washington charter boat operators)), as long as the Oregon vessel does  
27 not land at any Washington port with the purpose of taking on or  
28 discharging passengers. The provisions of this subsection shall be in  
29 effect as long as the state of Oregon has reciprocal laws and

11 subsection (3) of this section, it is unlawful to operate a vessel as  
12 a charter boat from which salmon are taken in salt water without an  
13 angler permit. The angler permit shall specify the maximum number of  
14 persons that may fish from the charter boat per trip (~~and shall be~~  
15 ~~issued annually without charge~~). The angler permit expires if the  
16 salmon charter ((boat)) license is not renewed.

17       (2) Only a person who holds a salmon charter license issued under  
18 RCW 75.28.095 and 75.30.065 may hold an angler permit.

19       (3) An angler permit shall not be required for charter boats  
20 licensed in Oregon and fishing in ocean waters within the jurisdiction  
21 of Washington state from the southern border of the state of Washington  
22 to Leadbetter Point under the same regulations as Washington charter  
23 boat operators, as long as the Oregon vessel does not land at any  
24 Washington port with the purpose of taking on or discharging  
25 passengers. The provisions of this subsection shall be in effect as  
26 long as the state of Oregon has reciprocal laws and regulations.

27       **Sec. 30.** RCW 75.30.090 and 1983 1st ex.s. c 46 s 143 are each  
28 amended to read as follows:

29       A salmon charter boat may not carry more anglers than the number  
30 specified in the angler permit issued (~~to the boat~~) under RCW  
31 75.30.070. Members of the crew may fish from the boat only to the  
32 extent that the number of anglers specified in the angler permit  
33 exceeds the number of noncrew passengers on the boat at that time.

34       **Sec. 31.** RCW 75.30.100 and 1983 1st ex.s. c 46 s 144 are each  
35 amended to read as follows:

1 (1) The total number of anglers authorized by the department shall  
2 not exceed the total number authorized for 1980.

3 (2) Angler permits issued under RCW 75.30.070 are transferable.  
4 All or a portion of the permit may be transferred to another salmon  
5 charter ((boat)) license holder.

6 (3) The angler permit holder and proposed transferee shall notify  
7 the department ((shall be notified)) when transferring an angler permit  
8 ((is transferred)), and the department shall issue a new angler permit  
9 certificate. If the original permit holder retains a portion of the  
10 permit, the department shall issue a new angler permit certificate  
11 reflecting the decrease in angler capacity.

12 (4) The department shall collect a fee of ten dollars for each  
13 certificate issued under ((this)) subsection (3) of this section.

14 **Sec. 32.** RCW 75.30.120 and 1983 1st ex.s. c 46 s 146 are each  
15 amended to read as follows:

16 (1) ~~((A commercial salmon fishing))~~ Except as provided in  
17 subsection (2) of this section, after May 6, 1974, the director shall

26 during the previous year, and if the person has not subsequently  
27 transferred the license ((or permit)) to another ((vessel; and

28 ~~(b) From which food fish were caught and landed in this state or in~~  
29 ~~another state during the previous year as documented by a valid fish~~

31 (2) Where the ((failure)) person failed to obtain the license ((or  
32 permit)) during the previous year ((was the result)) because of a  
33 license ((or permit)) suspension, the ((vessel)) person may qualify for  
34 a license ((or permit)) by establishing that the ((vessel)) person held  
35 such a license ((or permit)) during the last year in which the license  
36 ((or permit)) was not suspended.

37 ~~((2) The director may waive the landing requirement of subsection~~  
38 ~~(1)(b) of this section if:~~

1       ~~(a) The vessel to which an otherwise valid license is transferred~~  
2 ~~has not had the opportunity to have caught and landed salmon; and~~

3       ~~(b) The intent of the commercial salmon vessel limitation program~~

5       (3) Subject to the restrictions in section 11 of this act,  
6 commercial salmon ((fishing)) fishery licenses and salmon delivery  
7 ((permits)) licenses are transferable from one license holder to  
8 another.

9       **Sec. 33.** RCW 75.30.125 and 1986 c 198 s 2 are each amended to read  
10 as follows:

11       Any commercial salmon ((fishing)) fishery license issued under RCW  
12 75.28.110 or salmon delivery ((permit)) license issued under RCW  
13 75.28.113 shall revert to the department when any government  
14 confiscates and sells the vessel ((to which the license or permit was  
15 issued)) designated on the license. Upon application of the person  
16 named on the license ((or permit)) as license holder and the approval  
17 of the director, the department shall transfer the license ((or  
18 permit)) to the ((original owner)) applicant. Application for transfer  
19 of the license ((or permit)) must be made within the calendar year ((in  
20 which the vessel was licensed)) for which the license was issued.

21       **Sec. 34.** RCW 75.30.130 and 1983 1st ex.s. c 46 s 147 are each  
22 amended to read as follows:

23       (1) It is unlawful to take dungeness crab (Cancer magister) in  
24 ((the)) Puget Sound ((licensing district)) without first obtaining a  
25 dungeness crab--Puget Sound ((crab)) fishery license ((endorsement)).  
26 As used in this section, "Puget Sound" has the meaning given in RCW  
27 75.28.110(5)(a). A dungeness crab--Puget Sound fishery license  
28 ((endorsement)) is not required to take other species of crab,  
29 including red rock crab (Cancer productus).

30       (2) ((Commercial crab licenses issued under RCW 75.28.130(3)  
31 endorsed for the Puget Sound licensing district may be issued only to  
32 vessels)) Except as provided in subsections (3) and (7) of this  
33 section, after January 1, 1982, the director shall issue no new  
34 dungeness crab--Puget Sound fishery licenses. Only a person who meets  
35 the following qualifications may renew an existing license:

36       (a) ((Which)) The person shall have held ((a commercial)) the  
37 dungeness crab--Puget Sound fishery license ((endorsed for the Puget

1 ~~Sound licensing district~~) sought to be renewed during the previous

8 dungeness crab were caught and ~~((landed in this state))~~ sold during the  
9 previous two-year period ending on December 31st of an odd-numbered  
10 year~~((, as documented by a valid shellfish receiving ticket. This~~  
11 ~~requirement shall apply to licenses for which application is made after~~

13 (i) Under the license sought to be renewed; or

14 (ii) Under any combination of the following commercial fishery  
15 licenses that the person held when the crab were caught and sold: Crab  
16 pot--Non-Puget Sound, crab ring net--Non-Puget Sound, dungeness crab--  
17 Puget Sound. Sales under a license other than the one sought to be  
18 renewed may be used for the renewal of no more than one dungeness  
19 crab--Puget Sound fishery license.

20 (3) Where the ~~((failure))~~ person failed to obtain the license  
21 during the previous year ~~((was the result))~~ because of a license  
22 suspension, the ~~((vessel))~~ person may qualify for a license by  
23 establishing that the ~~((vessel))~~ person held such a license during the  
24 last year in which the license was not suspended.

25 ~~((+3))~~ (4) The director may reduce or waive the ~~((landing))~~  
26 poundage requirement established under subsection (2)(b) of this  
27 section upon the recommendation of a review board established under RCW  
28 75.30.050. The review board may recommend a reduction or waiver of the  
29 ~~((landing))~~ poundage requirement in individual cases if, in the board's  
30 judgment, extenuating circumstances prevent achievement of the  
31 ~~((landing))~~ poundage requirement. The director shall adopt rules  
32 governing the operation of the review boards and defining "extenuating  
33 circumstances."

34 ~~((+4))~~ (5) This section does not restrict the issuance of  
35 commercial crab licenses for areas other than ~~((the))~~ Puget Sound

3 the death of the owner, before July 1, 1986. This restriction applies  
4 to all changes in the vessel owner named on the license, including (a)  
5 changes during the license year, and (b) changes during the license  
6 renewal process between years. This restriction does not prevent  
7 changes in vessel operator or transfers between vessels when the vessel  
8 owner remains unchanged. Upon request of a vessel owner, the director  
9 may issue a temporary permit to allow the vessel owner to use the  
10 license endorsement on a leased or rented vessel)).

11 ((+6)) (7) If ((less)) fewer than two hundred ((vessels)) persons  
12 are eligible for dungeness crab--Puget Sound fishery licenses  
13 ((endorsements)), the director may accept applications for new  
14 ((endorsements)) licenses. The director shall determine by random  
15 selection the successful applicants for the additional ((endorsements))  
16 licenses. The number of additional ((endorsements)) licenses issued  
17 shall be sufficient to maintain two hundred ((vessels)) licenses in the  
18 Puget Sound dungeness crab fishery. The director shall adopt rules  
19 governing the application, selection, and issuance procedures for new  
20 dungeness crab--Puget Sound ((crab)) fishery licenses ((endorsements)),  
21 based upon recommendations of a board of review established under RCW  
22 75.30.050.

23 **Sec. 35.** RCW 75.30.140 and 1983 1st ex.s. c 46 s 148 are each  
24 amended to read as follows:

25 (1) ((In addition to a commercial fishing license, a herring  
26 validation is required to)) It is unlawful to fish commercially for  
27 herring in state waters without a herring fishery license. ((Herring  
28 validations shall be issued without charge.)) As used in this section,  
29 "herring fishery license" means any of the following commercial fishery  
30 licenses issued under RCW 75.28.120: Herring dip bag net; herring drag  
31 seine; herring gill net; herring lampara; herring purse seine.

32 (2) Except as provided in this section, ((permanent)) a herring  
33 ((validations)) fishery license may be issued only to a person who:

34 (a) Established initial eligibility for a ((permanent)) herring  
35 ((validation)) fishery license as provided in subsection (3) of this  
36 section or ((had transferred to the person a permanent herring  
37 validation)) acquired such a license by transfer; ((and))

1       (b) Held a herring fishery license during the previous year or  
2 acquired such a license by transfer; and

3       (c) Has not subsequently transferred the ~~((validation))~~ license to  
4 another person.

5       (3) A person may establish initial eligibility for a ~~((permanent))~~  
6 herring ~~((validation))~~ fishery license by:

7       (a) Documenting to the department that the person landed herring  
8 during the period January 1, 1971, through April 15, 1973;

9       (b) Documenting to the department that the person landed herring  
10 during the period January 1, 1969, through December 31, 1970, if the  
11 person was in the armed forces of the United States during the period  
12 January 1, 1971, through April 15, 1973; or

13       (c) Applying to the department and qualifying for a ~~((permanent))~~  
14 herring ~~((validation))~~ fishery license under hardship criteria  
15 established by rule of the director.

16       Landings may be documented only by a department fish receiving  
17 ticket.

18       (4) A ~~((permanent))~~ herring ~~((validation))~~ fishery license may be  
19 ~~((used))~~ issued only ~~((with))~~ for the type of fishing gear  
20 ~~((originally))~~ used to establish initial eligibility for the  
21 ~~((validation))~~ license.

22       (5) The director may establish rules governing the administration  
23 of this section based upon recommendations of a board of review  
24 established under RCW 75.30.050.

25       ~~((Additional permanent and temporary validations may be granted~~  
26 ~~by the department))~~ Except as provided in subsection (8) of this  
27 section, after January 1, 1995, the director shall issue no new herring  
28 fishery licenses. After January 1, 1995, a person may renew an  
29 existing license only if the person held the license sought to be  
30 renewed during the previous year or acquired the license by transfer  
31 from someone who held it during the previous year, and if the person  
32 has not subsequently transferred the license to another person.

33       (7) Herring fishery licenses may be renewed each year. A herring  
34 fishery license that is not renewed each year shall not be renewed  
35 further.

36       (8) The department may issue additional herring fishery licenses if  
37 the stocks of herring will not be jeopardized by granting additional  
38 ~~((validations))~~ licenses. ~~((Herring validations are transferable.))~~

1       (9) Subject to the restrictions of section 11 of this act, herring  
2 fishery licenses are transferable from one license holder to another.

3       **Sec. 36.** RCW 75.28.235 and 1989 c 176 s 1 are each amended to read  
4 as follows:

5       The legislature finds that the wise management of Washington  
6 state's herring resource is of paramount importance to the people of  
7 the state. The legislature finds that herring are an important part of  
8 the food chain for a number of the state's living marine resources.  
9 The legislature finds that both open and closed pond "spawn on kelp"  
10 harvesting techniques allow for an economic return to the state while  
11 at the same time providing for the proper management of the herring  
12 resource. The legislature finds that limitations on the number of  
13 herring harvesters tends to improve the management and economic health  
14 of the herring industry. The maximum number of herring spawn on kelp  
15 ~~((permits))~~ fishery licenses shall not exceed five annually. The state  
16 therefore must use its authority to regulate the number of herring  
17 spawn on kelp ~~((permits))~~ fishery licenses so that the management and  
18 economic health of the herring fishery may be improved.

19       **Sec. 37.** RCW 75.28.245 and 1989 c 176 s 2 are each amended to read  
20 as follows:

21       ~~((In addition to a commercial fishing license, a herring~~  
22 ~~validation, and other applicable permits required under state law,))~~  
23 (1) A herring spawn on kelp ((permit)) fishery license is required to  
24 commercially take herring eggs which have been deposited on vegetation  
25 of any type. ~~((All herring spawn on kelp permits shall be sold at~~  
26 ~~auction to))~~

27       (2) A herring spawn on kelp fishery license may be issued only to  
28 a person who:

29       (a) Holds a herring fishery license issued under RCW 75.28.120 and  
30 75.30.140; and

31       (b) Is the highest bidder in an auction conducted under subsection  
32 (3) of this section.

33       (3) The department shall sell herring spawn on kelp commercial  
34 fishery licenses at auction to the highest bidder. Bidders ~~((are~~  
35 ~~required to))~~ shall identify their sources of kelp. Kelp harvested  
36 from state-owned aquatic lands as defined in RCW 79.90.465 requires the  
37 written consent of the department of natural resources. The department

1 shall give all holders of herring (~~(validation holders)~~) fishery  
2 licenses thirty days' notice of the auction.

3 **Sec. 38.** RCW 75.30.160 and 1986 c 198 s 6 are each amended to read  
4 as follows:

5 (~~In addition to any other license, a Puget Sound commercial~~  
6 ~~whiting endorsement is required to take whiting in the waters of marine~~  
7 ~~fish-shell fish management and catch reporting areas 24B, Port Susan;~~

9 ~~designated by the department. An annual endorsement fee is two hundred~~  
10 ~~dollars for residents and four hundred dollars for nonresidents. The~~  
11 ~~license shall be affixed to the licensed vessel.)) It is unlawful to  
12 take whiting from areas that the department designates within the  
13 waters described in RCW 75.28.110(5)(a) without a whiting--Puget Sound  
14 fishery license.~~

15 **Sec. 39.** RCW 75.30.170 and 1986 c 198 s 5 are each amended to read  
16 as follows:

17 (~~To obtain a Puget Sound commercial whiting endorsement, the owner~~  
18 ~~of the vessel must have)) (1) A whiting--Puget Sound fishery license  
19 may be issued only to an individual who:~~

20 (a) Delivered at least fifty thousand pounds of whiting during the  
21 period from January 1, 1981, through February 22, 1985, as verified by  
22 fish delivery tickets (~~(and must have))~~;

23 (b) Possessed, on January 1, 1986, all equipment necessary to fish  
24 for whiting; and

25 (c) Held a whiting--Puget Sound fishery license during the previous  
26 year or acquired such a license by transfer from someone who held it  
27 during the previous year.

28 (2) After January 1, 1995, the director shall issue no new  
29 whiting--Puget Sound fishery licenses. After January 1, 1995, only an  
30 individual who meets the following qualifications may renew an existing  
31 license: The individual shall have held the license sought to be  
32 renewed during the previous year or acquired the license by transfer  
33 from someone who held it during the previous year, and shall not have  
34 subsequently transferred the license to another person.

35 (3) Whiting--Puget Sound fishery licenses may be renewed each year.  
36 A whiting--Puget Sound fishery license that is not renewed each year  
37 shall not be renewed further.

1       **Sec. 40.** RCW 75.30.180 and 1986 c 198 s 4 are each amended to read  
2 as follows:

3       (~~Commercial Puget Sound whiting license endorsements issued under~~  
4 ~~RCW 75.30.160 shall be valid for the owner and the vessel for which the~~  
5 ~~endorsement was issued. The endorsement~~) A whiting--Puget Sound

13       The director may adopt rules necessary to implement RCW  
14 (~~75.30.150~~) 75.30.160 through 75.30.180.

15       **Sec. 41.** RCW 75.30.210 and 1990 c 62 s 2 are each amended to read  
16 as follows:

17       (1) (~~After October 1, 1990,~~) It is unlawful to commercially take  
18 any species of sea urchin using shellfish diver gear without first

24 under section 18 of this act and who meets the qualifications  
25 established in those rules may hold an experimental fishery permit.  
26 The director shall limit the number of these permits to prevent habitat  
27 damage, ensure conservation of the resource, and prevent  
28 overharvesting. In developing rules for limiting participation in an  
29 emerging or expanding commercial fishery, the director shall appoint a  
30 five-person advisory board representative of the affected fishery  
31 industry. The advisory board shall review and make recommendations to  
32 the director on rules relating to the number and qualifications of the  
33 participants for such ~~((supplemental))~~ experimental fishery permits.

5 **Sec. 43.** RCW 75.30.240 and 1990 c 63 s 4 are each amended to read  
6 as follows:

7 Within five years after adopting rules to govern the number and  
8 qualifications of participants in an emerging commercial fishery, the  
9 director shall provide to the appropriate senate and house of  
10 representatives committees a report which outlines the status of the  
11 fishery and a recommendation as to whether a separate commercial  
12 fishery license, license fee, or ((endorsement and/or a)) limited  
13 harvest program should be established for that fishery.

14 **Sec. 44.** RCW 75.30.250 and 1990 c 61 s 2 are each amended to read  
15 as follows:

16 ~~(1) ((After April 30, 1990,))~~ It is unlawful to commercially take  
17 while using shellfish diver gear any species of sea cucumber without  
18 first obtaining a sea cucumber ((endorsement to accompany a shellfish  
19 diver)) dive fishery license.

20 ~~((A))~~ (2) Except as provided in subsection (6) of this section,  
21 after December 31, 1991, the director shall issue no new sea cucumber  
22 ((endorsement to a shellfish diver)) dive fishery licenses ((issued  
23 under RCW 75.28.130(5) shall be limited to those vessels which)). Only  
24 a person who meets the following qualifications may renew an existing  
25 license:

26 (a) ~~((Held a commercial shellfish diver license (excluding clams),~~

29 ~~cucumbers in 1989;~~

30 (b) ~~Have not transferred the license to another vessel;~~

31 (c) ~~Can establish, by means of dated shellfish receiving documents~~  
32 ~~issued by the department, that thirty landings of sea cucumbers were~~  
33 ~~made under the license during the period of January 1, 1988, through~~  
34 ~~December 31, 1989; and~~

35 (d) ~~Endorsements issued under this section are a new licensing~~  
36 ~~condition, and the continuing license provisions of RCW 34.05.422(3)~~  
37 ~~are not applicable.~~

1       ~~(2) In addition to the requirements of subsection (1) of this~~  
2 ~~section, after December 31, 1991, sea cucumber endorsements to~~  
3 ~~shellfish diver licenses issued under RCW 75.28.130(5) may be issued~~  
4 ~~only to vessels which:~~

5       ~~(a))~~ The person shall have held ~~((a))~~ the sea cucumber  
6 ~~((endorsement to a shellfish diver))~~ dive fishery license sought to be  
7 renewed during the previous two years or ~~((had transferred to the~~

9 it during the previous year; and

10       ~~(b) ((Can))~~ The person shall establish, by means of dated shellfish  
11 receiving documents issued by the department, that thirty landings of  
12 sea cucumbers totaling at least ten thousand pounds were made under the

14 odd-numbered year.

15       ~~(3) Where ((failure))~~ the person failed to obtain the license  
16 during either of the previous two years ~~((was the result))~~ because of  
17 a license suspension by the department or the court, the ~~((vessel))~~  
18 person may qualify for a license by establishing that the ~~((vessel))~~  
19 person held such a license ~~((and a sea cucumber endorsement))~~ during  
20 the last year in which ~~((it))~~ the person was eligible.

21       ~~((+3))~~ ~~(4)~~ The director may reduce or waive any landing or  
22 poundage requirement established under this section upon the  
23 recommendation of a board of review established under RCW 75.30.050.  
24 The board of review may recommend a reduction or waiver of any landing  
25 or poundage requirement in individual cases if, in the board's  
26 judgment, extenuating circumstances prevent achievement of the landing  
27 or poundage requirement. The director shall adopt rules governing the  
28 operation of the board of review and defining "extenuating  
29 circumstances."

39 director may accept applications for new ~~((endorsements))~~ licenses from

1 those persons who can demonstrate two years' experience in the  
2 Washington state sea cucumber (~~((diver))~~) dive fishery. The director  
3 shall determine by random selection the successful applicants for the  
4 additional (~~((endorsements))~~) licenses. The number of additional  
5 (~~((endorsements))~~) licenses issued shall be sufficient to maintain up to  
6 fifty (~~((vessels))~~) licenses in the sea cucumber dive fishery. The  
7 director shall adopt rules governing the application, selection, and  
8 issuance procedure for new sea cucumber (~~((endorsements))~~) dive fishery  
9 licenses, based upon recommendations of a board of review established  
10 under RCW 75.30.050.

12 NEW SECTION. Sec. 46. A new section is added to chapter 75.30 RCW  
13 to read as follows:

14 GEODUCK FISHERY LICENSES. (1) It is unlawful to harvest geoduck  
15 clams commercially without a geoduck fishery license. This section  
16 does not apply to the harvest of private sector cultured aquatic  
17 products as defined in RCW 15.85.020.

18 (2) Only a person who has entered into a geoduck harvesting  
19 agreement with the department of natural resources under RCW 79.96.080  
20 may hold a geoduck fishery license.

21 (3) A geoduck fishery license authorizes no taking of geoducks  
22 outside the boundaries of the public lands designated in the underlying  
23 harvesting agreement, or beyond the harvest ceiling set in the  
24 underlying harvesting agreement.

25 (4) A geoduck fishery license expires when the underlying geoduck  
26 harvesting agreement terminates.

27 (5) The director shall determine the number of geoduck fishery  
28 licenses that may be issued for each geoduck harvesting agreement, the  
29 number of units of gear whose use the license authorizes, and the type  
30 of gear that may be used, subject to RCW 75.24.100. In making those  
31 determinations, the director shall seek to conserve the geoduck  
32 resource and prevent damage to its habitat.

33 (6) The holder of a geoduck fishery license and the holder's agents  
34 and representatives shall comply with all applicable commercial diving  
35 safety regulations adopted by the federal occupational safety and  
36 health administration established under the federal occupational safety  
37 and health act of 1970 as such law exists on May 8, 1979, 84 Stat. 1590  
38 et seq.; 29 U.S.C. Sec. 651 et seq. A violation of those regulations

1 is a violation of this subsection. For the purposes of this section,  
2 persons who dive for geoducks are "employees" as defined by the federal  
3 occupational safety and health act. A violation of this subsection is  
4 grounds for suspension or revocation of a geoduck fishery license  
5 following a hearing under the procedures of chapter 34.05 RCW. The  
6 department shall not suspend or revoke a geoduck fishery license if the  
7 violation has been corrected within ten days of the date the license  
8 holder receives written notice of the violation. If there is a  
9 substantial probability that a violation of the commercial diving  
10 standards could result in death or serious physical harm to a person  
11 engaged in harvesting geoduck clams, the department shall suspend the  
12 license immediately until the violation has been corrected. If the  
13 license holder is not the operator of the harvest vessel and has  
14 contracted with another person for the harvesting of geoducks, the  
15 department shall not suspend or revoke the license if the license  
16 holder terminates its business relationship with that person until  
17 compliance with this subsection is secured.

5 suspend the issuance of additional licenses until the director  
6 determines there is need for additional units of gear to achieve a  
7 sustained harvest.)) This section does not apply to the harvest of

30 written notice of the violation. If there is a substantial probability  
31 that a violation of the commercial diving standards could result in  
32 death or serious physical harm to a person engaged in harvesting  
33 geoduck clams, the department shall suspend the license immediately  
34 until the violation has been corrected. If the licensee is the holder  
35 of a tract license and contracts with another person for the harvesting  
36 of geoducks, the license shall not be suspended or canceled if the  
37 licensee terminates its business relationship with such entity until  
38 compliance with this subsection is secured.))
