17 be accompanied by a fee established by the director by rule. The
18 director shall establish by rule, in accordance with chapter 34.05 RCW,
19 a schedule of fees for retail nursery dealer licenses and a schedule of
20 fees for wholesale nursery dealer licenses which shall be based upon
21 the amount of a person's retail or wholesale sales of horticultural
22 plants and turf. The schedule for retail licenses shall include, but
23 shall not be limited to, separate fees for at least the following two
24 categories: (a) A fee for a person whose gross business sales of such
25 materials do not exceed two thousand five hundred dollars; and (b) a
26 fee for a person whose gross business sales of such materials exceed
27 two thousand five hundred dollars.

29 retail and wholesale sales of horticultural plants at a place of
30 business shall secure for the place of business (a) a retail nursery

32 wholesale sales, or (b) a wholesale nursery dealer license if wholesale
33 sales of the plants and turf exceed such retail sales.

34 (3) For farmers markets that are registered as nonprofit
35 associations with the office of the secretary of state and at which
36 individual producers are selling directly to consumers as provided in
37 RCW 36.71.090, the director may allow a farmers market, as an
38 alternative to licensing of individual producers, to obtain one

1 wholesale nursery dealer license, as provided in subsection (1) of this
2 section, at the appropriate level to cover all producers at each site
3 at which the market operates.

4 (4) The licensing fee that must accompany an application for a new
5 license shall be based upon the estimated gross business sales of
6 horticultural plants and turf for the ensuing licensing year. The fee
7 for renewing a license shall be based upon the licensee's gross sales
8 of such products during the preceding licensing year.

9 ~~((+4))~~ (5) The license shall expire on the master license
10 expiration date unless it has been revoked or suspended prior to the
11 expiration date by the director for cause. Each license shall be

16 **Sec. 5.** RCW 15.13.310 and 1990 c 261 s 4 are each amended to read
17 as follows:

18 (1) There is hereby levied an annual assessment on the gross sale
19 price of the wholesale market value for all fruit trees, fruit tree
20 related ornamental trees, and fruit tree rootstock produced in
21 Washington, and sold within the state or shipped from the state of
22 Washington by any licensed nursery dealer during any license period, as
23 set forth in this chapter. Fruit tree related ornamental tree nursery
24 stock shall be limited to the genera, Chaenomeles, Cydonia, Crataegus,
25 Malus, Prunus, Pyrus, and Sorbus. This annual assessment is based on
26 the first sale price of such nursery stock except for rootstocks which
27 are replanted and/or grafted or budded and planted for growing-on in
28 the nursery. The director shall by rule subsequent to a hearing
29 determine the rate of an assessment conforming with the costs necessary
30 to carry out the fruit tree certification and nursery improvement
31 programs specified in RCW 15.13.470.

32 Such wholesale market price may be determined by the wholesale
33 catalogue price of the seller of such fruit trees, fruit tree related
34 ornamental trees, or fruit tree rootstock or of the shipper moving such
35 fruit trees, fruit tree related ornamentals, or fruit tree rootstock
36 out of the state. If the seller or shipper do not have a catalogue,
37 then such wholesale market price may be based on the actual selling
38 price or an average wholesale market price. The director in

1 determining such average wholesale market price may use catalogues of
2 various businesses licensed under the provisions of this chapter or any
3 other reasonable method.

4 (2) Such assessment shall be due and payable on the first day of
5 July of each year.

6 (3) The gross sale period shall be from July 1 to June 30 of the
7 previous license period.

8 (4) The department may audit the records of licensees during normal
9 business hours to determine that the appropriate assessment has been
10 paid.

11 **Sec. 6.** RCW 15.13.320 and 1990 c 261 s 5 are each amended to read
12 as follows:

13 An advisory committee is hereby established to advise the director
14 in the administration of the fruit tree and fruit tree related
15 ornamental tree certification and nursery improvement program.

16 (1) The committee shall consist of five fruit tree nursery dealers
17 and the director or the director's designated appointee.

18 (2) The director shall appoint this committee from names submitted
19 by the Washington state ((~~nurserymen's~~)) nursery and landscape
20 association.

21 (3) The terms of the members of the committee shall be staggered
22 and the members shall serve a term of three years and until their
23 successor has been appointed and qualified.

24 In the event a committee member resigns, is disqualified, or
25 vacates a position on the committee for any other reason the vacancy
26 shall be filled by the director under the provisions of this section
27 governing appointments.

31 reasonable times for the purpose of carrying out the provisions of this
32 chapter. If the director is denied access, the director may apply to
33 a court of competent jurisdiction for a search warrant authorizing
34 access to the premises. The court may upon such application issue the
35 search warrant for the purposes requested. Denial of access to the
36 director to perform inspections may subject a nursery dealer to
37 revocation of the nursery license as provided in RCW 15.13.350.

4 request, upon the payment of actual costs to the department as

6 plant services inspector at such licensee's place of business or point
7 of shipment during the shipping season. Subsequent to inspection
8 (~~such horticultural~~) the inspector shall issue to such licensee a
