6 as follows:

7 Subject to the limitations set forth in this chapter, any person
8 who has adopted and is using a trademark in this state may file in the
9 office of the secretary of state, on a form to be furnished by the
10 secretary of state, an application for registration of that trademark
11 setting forth, but not limited to, the following information:

12 (1) The name and business address of the applicant, and, if the
13 applicant is a corporation, its state of incorporation;

14 (2) The particular goods or services in connection with which the
15 trademark is used and the class in which such goods or services fall;

16 (3) The manner in which the trademark is placed on or affixed to
17 the goods or containers, or displayed in connection with such goods, or
18 used in connection with the sale or advertising of the services;

1 (4) The date when the trademark was first used with such goods or
2 services anywhere and the date when it was first used with such goods
3 or services in this state by the applicant or his predecessor in
4 business;

5 (5) A statement that the trademark is presently in use in this
6 state by the applicant;

7 (6) A statement that the applicant believes himself to be the owner
8 of the trademark and believes that no other person has the right to use
9 such trademark in connection with the same or similar goods or services
10 in this state either in the identical form or in such near resemblance
11 thereto as to be likely, when used on or in connection with the goods
12 or services of such other person, to cause confusion or mistake or to
13 deceive; and

14 (7) Such additional information or documents as the secretary of
15 state may reasonably require.

16 A single application for registration of a trademark may specify
17 all goods or services in a single class for which the trademark is
18 actually being used, but may not specify goods or services in different
19 classes.

20 The application shall be signed by the applicant individual, or by
21 a member of the applicant firm, or by an officer of the applicant
22 corporation, association, union or other organization.

23 The application shall be accompanied by three specimens or

31 (1) A person intending to register a trademark under this title; or

32 (2) A domestic or foreign corporation intending to change its
33 trademark.

34 The reservation shall be made by filing with the secretary of state
35 an application to reserve a specified trademark or service mark,
36 executed by or on behalf of the applicant, one copy of the trademark
37 artwork, and fees as set by rule by the secretary of state. If the
38 secretary of state finds that the trademark is available for use, the

1 secretary of state shall reserve the trademark for the exclusive use of
2 the applicant for a period of one hundred eighty days. The reservation
3 is limited to one filing.

4 **Sec. 3.** RCW 19.77.050 and 1989 c 72 s 5 are each amended to read
5 as follows:

8 filed within six months prior to the expiration of such term, on a form
9 to be furnished by the secretary of state requiring all the allegations
10 of an application for original registration, the registration may be
11 renewed for successive terms of ~~((ten))~~ six years as to the goods or

13 renewal fee ~~((of fifty dollars))~~ as set by rule by the secretary of

19 six months, next preceding the expiration of the unexpired original or
20 renewed term by writing to the last known address of the registrants or
21 their agents according to the files of the secretary of state. Neither
22 the secretary of state's failure to notify a registrant nor the
23 registrant's nonreceipt of a notice under this section shall extend the
24 term of a registration or excuse the registrant's failure to renew a
25 registration.

26 **Sec. 4.** RCW 19.77.060 and 1982 c 35 s 183 are each amended to read
27 as follows:

28 Any trademark and its registration or application for registration
29 hereunder shall be assignable with the good will of the business in
30 which the trademark is used, or with that part of the good will of the
31 business connected with the use of and symbolized by the trademark. An
32 assignment by an instrument in writing duly executed and acknowledged,
33 or the designation of a legal representative, successor, or agent for
34 service shall be recorded by the secretary of state on request when
35 accompanied by a fee ~~((of ten dollars))~~, as set by rule by the
36 secretary of state, payable to the secretary of state. On request,
37 upon recording of the assignment and payment of a further fee of five

1 dollars, the secretary of state shall issue in the name of the assignee
2 a new certificate for the remainder of the unexpired original or
3 renewal term of the registration. An assignment of any registration or
4 application for registration under this chapter shall be void as

38 person at the time the domestic person commenced to use it. This

1 section applies regardless of the nature of the claim asserted and
2 whether the claim upon which any such relief is sought arises by
