

1275-S

Sponsor(s): House Committee on Environmental Affairs (originally sponsored by Representatives R. Fisher, Schmidt, R. Meyers, Brown, Jones, Shin and Horn; by request of Department of Transportation)

Brief Description: Exempting site exploration from shorelines management regulation.

**HB 1275-S - DIGEST**

(AS OF HOUSE 2ND READING 2/12/94)

Exempts site exploration and investigation activities prerequisite to preparation of an application for development authorization.

Places limitations on the impact of the exploration.

Requires financial assurance that the site will be restored.
