

1508-S

Sponsor(s): House Committee on Financial Institutions & Insurance
(originally sponsored by Representatives Zellinsky and Pruitt)

Brief Description: Regulating prescription claims for insurance coverage that were initially approved over the telephone or by other means.

HB 1508-S - DIGEST

(DIGEST AS ENACTED)

Prohibits disability insurance companies, health care service companies, and health care maintenance entities from rejecting prescription claims which were previously approved by phone or other means.

Requires a record to be kept identifying the person giving the approval.
