

1622

Sponsor(s): Representatives Chappell, Chandler and Rayburn; by request of Department of Agriculture

Brief Description: Modifying the regulation of fertilizer.

HB 1622 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Prohibits the distribution of a commercial fertilizer in this state, except packaged fertilizers, until a license to distribute has been obtained.

Prohibits the distribution of a packaged fertilizer until it is registered with the department.

Requires clear labeling of the contents of packaged fertilizers.

Provides for the revocation of a license or registration for violations of the act.

Repeals provisions in chapter 15.54 RCW.
