

1771-S

Sponsor(s): House Committee on Fisheries & Wildlife (originally sponsored by Representatives King and Jacobsen)

Brief Description: Taking measures to prevent the destruction of fish protection devices.

HB 1771-S.E2 - DIGEST

(AS OF HOUSE 2ND READING 2/7/94)

Makes it unlawful to intentionally destroy, damage, or modify fish guards, screens, or bypasses resulting in the loss of fish.

Provides for loss of the use of water diversion devices and requires reimbursement for loss of fish for violations of the act.
