Brief Description: Regulating chiropractic care for industrial insurance.

HB 1871 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires that chiropractic care provided to an injured worker through the division of industrial insurance must be within the scope of practice under chapter 18.25 RCW and limited to the treatment of acute conditions.

Directs the department to establish treatment and utilization standards.

Appoints an assistant director for chiropractic treatment.

Authorizes denial of payment for services billed in violation of rules or fees schedules.
