

1928-S

Sponsor(s): House Committee on Transportation (originally sponsored by Representatives R. Fisher, Quall, Locke, Roland and Johanson)

Brief Description: Providing for more comprehensive regional transportation planning.

HB 1928-S - DIGEST

(DIGEST AS ENACTED)

Requires each regional transportation planning organization to prepare and update periodically a regional transportation strategy and to prepare a regional transportation plan.

Designates the elements for comprehensive plans for state, regional, and local goals.

Provides for state-wide consistency in the planning process.

Directs the legislative transportation committee to coordinate a comprehensive study on the relationship between state transportation facilities and local comprehensive plans.
