Brief Description: Regulating access to tobacco.

HB 2071 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Enhances the enforcement of the prohibitions of sales of tobacco products to minors.

Designates the approved locations for vending machines, prohibits the sale of individual tobacco products, and prohibits the distribution to a person at no cost.

Creates the youth tobacco account.

Provides local health departments with enforcement authorities.

Establishes civil penalties for violations of the act.

Increases license fees.
