

2579-S

Sponsor(s): House Committee on Transportation (originally sponsored by Representatives R. Fisher, Johanson and Shin)

Brief Description: Creating a new public transportation benefit area for specified larger counties.

HB 2579-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Authorizes a county legislative authority to consider the establishment of a new county-wide public transportation benefit area to assume the functions of an existing public transportation benefit area and a city with regard to its public transportation functions.
