Sponsor(s): House Committee on Human Services (originally sponsored by Representatives Leonard, Padden, Karahalios, Thibaudeau, Patterson, Rust, Pruitt, Ogden, Caver, G. Cole, Scott, King, J. Kohl and L. Johnson; by request of Attorney General)

Brief Description: Changing provisions relating to children removed from the custody of parents.

**HB 2595-S.E - DIGEST**

(AS OF HOUSE 2ND READING 2/10/94)

Requires consideration of family preservation services in predisposition studies.

Develops alternative goals of care plans to include: Return to the home of the parent or guardian; relatives or foster care; adoption; guardianship; or independent living, if appropriate at age eighteen.

Provides that permanency planning is a process which should begin at the time that child welfare services are initially provided and should continue whenever a child is removed from parental custody.

Does not limit the ability of the agency to petition for termination of parental rights or guardianship.
