Brief Description: Implementing the cellular communications tax study recommendations regarding 911 emergency communication system funding.

**HB 2601 - DIGEST**

(DIGEST AS ENACTED)

Authorizes county legislative authorities to impose a county 911 excise tax on the use of radio access lines located within the county in an amount not exceeding twenty-five cents per month for each radio access line.

Establishes procedures to identify the number of a caller using 911 emergency services with two-way telecommunications equipment.

Directs the department of revenue to conduct a study of the base and rate for the 911 excise tax.
