

2626-S

Sponsor(s): House Committee on Commerce & Labor (originally sponsored by Representatives Mastin and Grant)

Brief Description: Providing for the enforcement of plumbing certificate of competency requirements.

**HB 2626-S.E - DIGEST**

(DIGEST AS ENACTED)

Authorizes one pilot project for compliance inspections.

Provides that no person may employ a person to engage in the trade of plumbing unless that person has a journeyman certificate, specialty certificate, or temporary permit or is supervised by one who has the required documentation.

Provides that hearings to enforce the requirements shall be conducted before a hearings examiner.

Provides that each day of violation is a separate infraction with a penalty of two hundred fifty dollars for the first infraction, and one thousand dollars for a second infraction.

Repeals RCW 18.106.025 and 18.106.260.
