Brief Description: Authorizing uses of bond proceeds in the local improvements revolving account--water supply facilities.

HB 2727 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Authorizes the proceeds to be used for funding improvements by individual landowners if the improvements result in net water savings and if the savings are returned to the state as trust water.

Authorizes the proceeds to also be used for the direct purchase or lease of water rights for management as trust water.
