Brief Description: Creating a procedure for local government service agreements.

SB 5038 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Establishes a process by which local government service agreements can be agreed upon to determine which local governments should provide various services and facilities within specified geographic areas.

Specifies the elements to be included in the agreements.

Designates the procedures for creation of the local government service agreements.

Creates an additional procedure for disbanding boundary review boards.

Provides for methodologies to provide financing for the implementation of the agreements.

Authorizes demonstration projects to implement the purposes of the act.

Provides that implementation of the act is contingent on ratification of a proposed amendment to the state Constitution in November 1993.
