Sponsor(s): Senator Haugen

Brief Description: Directing the departments of fisheries and wildlife to study their enforcement procedures.

**SB 5051 - DIGEST**

Directs the department of fisheries and the department of wildlife to prepare a study to achieve better coordination of existing enforcement personnel and equipment.

Requires a recommendation as to whether the enforcement programs should be combined into a single program.

Requires the study to be completed by November 30, 1993.

Provides for the appointment of an advisory committee.
