

5152

Sponsor(s): Senator Winsley

Brief Description: Providing procedures for the classification and valuation of property devoted primarily to low-income housing.

SB 5152 - DIGEST

Provides incentives to delay the deterioration and demolition of existing low-income housing, to delay the closure of mobile home parks, and to encourage the development of additional low-income housing and mobile home parks.

Provides that the act shall take effect if the voters approve a constitutional amendment at the next general election.
