

5390-S

Sponsor(s): Senate Committee on Energy & Utilities (originally sponsored by Senators Sutherland, Hochstatter, Deccio, Haugen and Erwin)

Brief Description: Relating to conservation tariffs allowing transfer of payment obligations to successive property owners.

**SB 5390-S - DIGEST**

(AS OF SENATE 2ND READING 3/16/93)

Authorizes the utilities and transportation commission to file tariffs for energy conservation measures and to require payment by the initial and successive property owners.

Requires a seller of real property to disclose the existence of an obligation for a charge for energy conservation measures.
