Brief Description: Changing provisions relating to funding and planning criminal justice programs.

SB 5453 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Directs the state treasurer, before distributing moneys from the criminal justice assistance accounts, to deduct a sum equal to one percent of the distribution.

Requires the distribution of the withheld funds to cities under fifteen hundred population and to counties under seventy thousand population which have encountered difficulties providing police protection, with congested court systems, and with overcrowded jails.

Deletes the termination date of January 1, 1994, for the criminal justice account statutes.
