

5537-S

Sponsor(s): Senate Committee on Energy & Utilities (originally sponsored by Senators Sutherland, Hochstatter and A. Smith; by request of Utilities & Transportation Commission)

Brief Description: Concerning alternate operator service companies.

**SB 5537-S - DIGEST**

(AS OF SENATE 2ND READING 3/15/93)

Requires alternate operator service companies to sustain the burden of proof that their rates are for the public convenience and advantage.
