

5773

Sponsor(s): Senators Fraser and Barr

Brief Description: Allowing counties to establish coordinated water resources programs.

**SB 5773 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Encourages coordination of state, local, and tribal programs involving water resources planning, management, permitting, and funding on a watershed or island-wide basis, and to encourage consolidation of these efforts.

Designates revenue sources for operation of the programs.
