Brief Description: Creating the department of economic and community development.

SB 5868 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Consolidates the economic and community development functions of the department of trade and economic development and the department of community development into a new department of economic and community development.

Specifies the duties and functions of the new department.

Repeals provisions of chapters 43.31 and 43.63A RCW.
