Brief Description: Changing provisions relating to the center for international trade in forest products.

SB 6082 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Directs the center to cooperate with the community and technical colleges in their development of wood products manufacturing and wood technology curriculum.

Requires the curriculum to be made available in every college district that serves a timber impact area.

Revises the membership of the executive policy board.

Extends the expiration date for the center to June 30, 1996.
