

6105-S

Sponsor(s): Senate Committee on Trade, Technology & Economic Development (originally sponsored by Senators Skratek, Bluechel, Sheldon and M. Rasmussen)

Brief Description: Authorizing the establishment of services and programs that promote the high performance work organization model.

SB 6105-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Directs the department of community, trade, and economic development to establish services and programs that promote the high performance work organization model and assist firms in implementing high performance practices that produce higher value goods and services and employ a high-skill work force.

Directs the structure of the department as a high performance work organization.
