Sponsor(s): Senators Fraser, Deccio, Amondson, Loveland, Snyder, Sellar, Skratek, Pelz and Winsley

Brief Description: Modifying provisions of the model toxics control act.

SB 6123 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Promotes the public's interest to efficiently use our finite land base, to integrate our land use planning policies with our clean-up policies, and to clean up and reuse contaminated industrial properties in order to minimize industrial development pressures on undeveloped land.
