

6507-S

Sponsor(s): Senate Committee on Transportation (originally sponsored by Senators Vognild, Prince, Morton, Loveland, M. Rasmussen and Winsley)

Brief Description: Eliminating a reference to public highways regarding railroad crossings.

SB 6507-S - DIGEST

(AS OF SENATE 2ND READING 2/14/94)

Establishes requirements for insurance coverage for damages sustained at railroad crossings.

Authorizes railroads to file a petition to close an existing private crossing.

Specifies the elements to be considered by the utilities and transportation commission in making a decision on a petition.
