Brief Description: Providing for records checks.

SB 6518 - DIGEST

Requires the department of licensing to conduct a criminal records check of an applicant for a driver's license to determine if there is a felony conviction or mental incompetency finding in the records.

Requires the license to be marked with a magnetic code reader to indicate whether or not the holder is authorized to purchase a handgun.

Prohibits the sale of a handgun to a person with a license containing a magnetic code showing that the licensee is prohibited from such ownership.

Establishes penalties for a violation of the act.
